

AFTER SCHOOL!

Autumn 2024: W/B 16th September – W/B 9th December

Dear parents and carers,

We are thrilled to inform you about the exciting after-curricular clubs on offer for your children at Chapelford Village Primary School. These clubs provide a wonderful opportunity for pupils to explore new interests, develop skills, and make friends outside of the regular school day.

Participating in after-curricular clubs not only enhances your child's social and academic development but also promotes a sense of teamwork, responsibility, and self-confidence. It is a fantastic way for them to grow and thrive in a supportive and engaging environment. We have a variety of clubs available, ranging from sports clubs including tag-rugby and dance to creative clubs such as arts and craft. Whatever your child's interests may be, we have a club that will spark their curiosity and passion.

We encourage you to discuss the club options with your child and consider signing them up for a club that aligns with their interests. The clubs will run on specific days after school hours, and our dedicated staff members will ensure a safe and enjoyable experience for all participants.

If your child wishes to join a club, you just need to sign up online via our Parentmail shop. Places are offered on a first come, first served basis. **Clubs will be available to sign up to on Thursday 12th September at 5pm.** Clubs have a maximum number of places and payments are accepted online only. The clubs will run for 11 weeks. They will begin on the week beginning 16th September) and the last club will be on Thursday 17th October. **Clubs will then recommence on the second week back of the autumn term, week beginning 4th November with the last club finishing on Thursday 12th December.**

Clubs start at the end of the school day and collection after the club is from various areas of school depending on the club. **All clubs, except Learning Club, finish prompt at 4:15.** It is essential that we see a child go home with an adult and our staff leading clubs may not be as familiar with your faces as class teachers. Thank you in advance for your patience and understanding. Year 5 and 6 children may walk home independently providing permission has been given – this is specific permission from a club rather than walking home at the end of a normal school day. Please do let the member of staff or the school office know if this is your wish.

Sports clubs are usually held outside and unfortunately, as the school hall will already be in use with other clubs, there is usually no alternative space to deliver the session when weather conditions are extremely poor. We will still run clubs in typical British weather i.e. cold, drizzle, wind but will cancel if weather is worse. We appreciate that short notice cancellation can cause difficulties for parents, and we try to avoid this where possible. Depending on the activity, please include weather appropriate clothing e.g. a jumper and a waterproof coat. Your child will need a drink, shin pads (if playing football), a sports kit and trainers.

In the event of a club being cancelled, you may be offered the choice to collect your child at 3:15pm or alternatively if available, attend KS1 or KS2 learning clubs until 4pm.

We are extremely proud of the extra-curricular provision we offer. Funds raised by children attending clubs are used to fund equipment, travel and other essentials to enhance the clubs.

Parents accessing Pupil Premium funding may receive one club per term free of charge where there is availability. Please contact the school office as soon as possible to enquire as places fill up quickly.

Thank you for your continued support. We look forward to seeing the children thrive and flourish in our after-curricular clubs!

Best wishes,

Miss Webb

Assistant Headteacher
