

Chapelford Village Primary School, Santa Rosa Boulevard, Great Sankey,
Warrington WA5 3AL

Head of School: Mrs L Tottie

Tel: 01925 712554

e-mail: office@chapelfordvillageprimary.co.uk

Spring 2024

If your child fancies joining a club, you just need to sign up online via our Parentmail shop – places are offered on a first come, first served basis. Clubs have a maximum number of places and payments are accepted online only.

Clubs start at the end of the school day and collection after the club is from various areas of school depending on the club. It is essential that we see a child go home with an adult and our staff leading clubs may not be as familiar with your faces as class teachers. Thank you in advance for your patience and understanding. Year 5 and 6 children may walk home independently providing permission has been given – this is specific permission from a club rather than walking home at the end of a normal school day. Please do let the member of staff or the school office know if this is your wish.

Depending on the activity, please include weather appropriate clothing e.g. a jumper and a waterproof coat. Your child will need a drink, shin pads (if playing football), a sports kit and trainers.

Sports clubs are usually held outside and unfortunately, as the school hall will already be in use with other clubs, there is usually no alternative space to deliver the session when weather conditions are extremely poor. We will still run clubs in typical British weather ie cold, drizzle, wind but will cancel if weather is worse. We appreciate that short notice cancellation can cause difficulties for parents, and we try to avoid this where possible. In the event of a club being cancelled, you may be offered the choice to collect your child at 3:15pm or alternatively if available, attend KS1 or KS2 learning clubs to support with club collection time.

Club costs are used to fund equipment, travel and other essentials to enhance the clubs.

Parents accessing Pupil Premium funding may receive one club per term free of charge where there is availability. Please contact the school office as soon as possible to enquire as places fill up quickly.

Please note that there has been a change to collection points to ease congestion in the main reception, please ask at the office if you are unsure.

Swimming – as you will have noticed, we currently have an external provider on the school grounds with a swimming pool in a heated marquee. We wanted to open up the opportunity for those year groups who will not access the pool for swimming lessons within the school day. The swimming pool meets full regulations and is heated to 29 degrees with heaters in the changing rooms within the tent. This is a 4 week course which will include a 30 minute lesson and a 15 minute fun splash time. A trained instructor and lifeguard will deliver the session and a member of school staff is present at all times. If you wish to have some more information, please contact Mrs Stewart.
