

AFTER SCHOOL!

Summer 2024: 15th April – 1st July

Dear parents and carers,

We are delighted to share with you the after-school provision we can offer your child for the summer term. As some of you may know, we sent out a parent survey to gain an insight into your views on after-school clubs and what we could do to further improve our provision. We have taken all feedback into account and have worked hard to ensure there is a range of clubs suitable for children from Early Years to Year 6.

If your child fancies joining a club, you just need to sign up online via Parentmail. Places are offered on a first come, first served basis, as clubs have a maximum amount of availability and payments are accepted online only. Clubs will run for 10 weeks and will begin on the first week back (week beginning the 15th April). The last club session will be Thursday 28th June, with the exception of the Monday clubs where the last session will take place on Monday 1st July to make up for the May Bank Holiday.

Clubs start at the end of the school day and collection after the club is from various areas of school depending on the club. **All clubs finish at 4:15pm except for gymnastics which finishes at 4:30pm and learning club and choir, which finish at 4:00pm.** It is essential that we see a child go home with an adult as staff leading clubs may not be as familiar with your faces as class teachers. Thank you in advance for your patience and understanding. Year 5 and 6 children may walk home independently providing permission has been given – this is specific permission from a club rather than walking home at the end of a normal school day. Please do let the member of staff or the school office know if this is your wish.

Depending on the activity, please include weather appropriate clothing e.g. a jumper and a waterproof coat. Your child will need a drink, shin pads (if playing football), a sports kit and trainers.

Sports clubs are usually held outside and unfortunately, as the school hall will already be in use with other clubs, there is usually no alternative space to deliver the session when weather conditions are extremely poor. We will still run clubs in typical British weather ie cold, drizzle, wind but will cancel if weather is worse. We appreciate that short notice cancellation can cause difficulties for parents, and we try to avoid this where possible. In the event of a club being cancelled, you may be offered the choice to collect your child at 3:15pm or alternatively if available, attend KS1 or KS2 learning clubs to support with club collection time.

Club costs are used to fund equipment, travel and other essentials to enhance the clubs.

Parents accessing Pupil Premium funding may receive one club per term free of charge where there is availability. Please purchase a place online and then contact the school office as soon as possible so they may issue a refund.
