Why Support chaPTA?

chaPTA plays a hugely important role in our school community, raising vital funds to provide extra opportunities, resources and experiences that make school life even better for our children. Every penny raised helps us go beyond what the school budget can provide, creating exciting experiences and enhancing the environment in which our children learn, play and grow. Our current focus is making our playground even better! We're fundraising to provide additional equipment that encourages children to socialise, climb, explore, use their imagination and enjoy playtime together.

Pumpkin Competition

Get creative this Halloween and join in with our annual chaPTA Pumpkin Competition! We can't wait to see the fantastic designs you create at home with your children.

When?

- Monday 2nd November
- Entry fee: £1 per pumpkin

How to enter:

- Bring your decorated pumpkin into school on the morning of the competition. Make sure your child's name and class number are clearly written on the pumpkin in permanent pen.
- Cash payment is preferred, but online payments can also be made via PTA Events (<http://www.pta-events.co.uk/chapta>).

Where does it go?

Please bring pumpkins through the front entrance and place them in the designated area for your child's year group on the front playground. Staff will be available to help direct you. Please do not bring pumpkins in before the day, as we are unable to store them.

Prizes to be won!

We'll have a special visitor joining us to judge the entries, with one winner from each year group receiving a prize! All money raised will go towards purchasing additional resources and equipment to enrich our playground.

We can't wait to see your spooktacular creations! Thank you for supporting chaPTA.
