

AGM

Annual General Meeting

Thursday 25th April 2019

@ 9:15am, Chapelford Village Primary School

Everyone is welcome

WHAT IS CHAPTA

In simple terms, we are a group of parent/grandparent and career volunteers who want to support the school, our children and the community. We are what you would know as the PTA, and as a parent you automatically become a member.

We are an active and integral part of Chapelford Village Primary School. Most importantly we aim to bring our whole school community together to raise funds to purchase additional equipment for the school that the school budget does not support. In it's time, Chapelford Village Primary School has raised thousands of pounds through fundraising events, recycling schemes and match funding. These funds are all spent on equipment and resources to enhance our children's education experiences and the schools facilities in general. ChaPTA is about much more than simple fund raising though.

We exist to provide closer links between home and school, to have fun and make friends and socialise in the process.

JOIN US.....

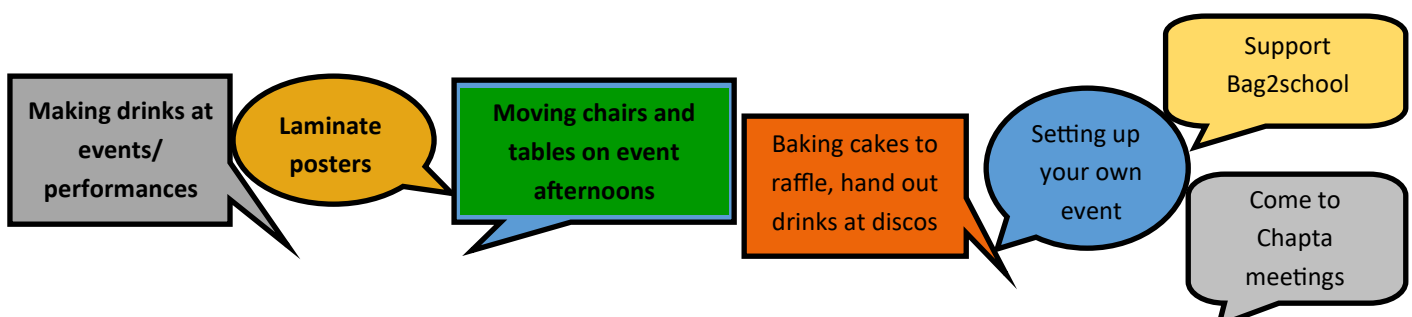

At the AGM we summarise the year and the current committee step down from their positions to give everyone the opportunity to put themselves forward to play a key role in ChaPTA. The committee is made up of:

1. Chairperson
2. Treasurer
3. Secretary
4. Trustee Member
5. Trustee Member

VOLUNTEER.....

If you would like to volunteer for any of the positions please email chapelford_busman@omegamat.co.uk with a brief introduction of yourself and why you would like to be actively involved in ChaPTA.

To steal a well-worn phrase... every little helps - so how can you help?

Reminders

School Lottery - Welcome to Chapelford Village Primary School lottery. This lottery has been set up specifically to raise money and make a difference for our children! It's a fantastic way to bring Parents, Carers, Teachers and the wider community together, in partnership with our school, and at the same time give something back. We hope to raise funds that can support and enrich the education of our children - we aim to provide extra resources for the children, improve the school environment as well as run extra curricular activities such as music, art and sport. Your support is greatly appreciated and we wish you good luck!

We need to sell over 50 tickets to make this viable. Please sign up with a chance to win and at the same time support the school fundraising. www.yourschoollottery.co.uk

ChaPTA will receive commission from this link which raises funds for our school.

Thank you so much.
