Christmas Card Fundraising Project

Dear Parents and Carers,

This year, we have been working with **School Print World** on a special Christmas project, giving every child the opportunity to design their own Christmas card!

Your child's Christmas card proof will be sent home today in their book bag. Alongside their design, you will find information explaining how you can order Christmas cards featuring your child's very own artwork.

This is a lovely opportunity to keep a special memento of your child's creativity while also supporting our school community. A percentage of the money raised through purchases will go directly to our PTA (chaPTA) to help fund the ongoing development of our school playground, creating even more exciting opportunities for children to play, explore and learn.

The children's designs can be professionally printed onto Christmas cards and other products, with the school receiving a profit from purchases.

A few important details:

- All the information you need to place an order is included in the pack sent home.
- The ordering deadline has been extended to **Friday 6th November**. Please disregard the October deadline printed on the pack.
- Any queries regarding orders should be directed to School Print World using the contact details provided in the pack.
- **Year 1 cards have been slightly delayed**, and we will send these home as soon as they are available.

We hope you enjoy seeing your child's unique design and that this project brings a little extra Christmas magic to your home!

Thank you for your continued support with our school fundraising.

Kind regards,

Miss Webb
