Spring 2025: W/B 13th January – W/B 24th March

Dear parents and carers,

I am writing to you to share information about the after-curricular clubs on offer for your children in the Spring term.

As a school, we believe that taking part in an after-school club is a fun and exciting way to meet new people and learn new skills that you might not normally have the chance to. We have a variety of clubs available, ranging from sports clubs to creative clubs such as arts and crafts. Whatever your child's interests may be, we have a club that will spark their curiosity and passion.

We encourage you to discuss the club options with your child and consider signing them up for a club that aligns with their interests. The clubs will run on specific days after school hours, and our dedicated staff members will ensure a safe and enjoyable experience for all participants. We are excited to share that we are working with First Kick Football this term and they will be running football clubs for the lower phase supported by a member of CVPS staff. Please see an overview of the clubs on offer attached to this letter. This will give you all the information you need before signing up.

If your child wishes to join a club, you just need to sign up online via our ParentMail shop. Places are offered on a first come, first served basis. **Clubs will be available to sign up to on Thursday 19th December at 7pm.** To support parents in the run up to Christmas, you can secure a space for your child by paying a **deposit of £5. The remaining balance must be paid prior to the clubs starting on Monday 13th January.** If the full balance is not paid prior to the clubs starting, we cannot guarantee your child's place.

Clubs have a maximum number of places and payments are accepted online only. The clubs will run across the Spring term for 9 weeks. Clubs will begin the week beginning Monday 13th January and finish the week beginning Monday 24th March. **There will be no clubs on the week beginning Monday 10th February.**

Clubs start at the end of the school day and collection after the club is from various areas of school depending on the club. Please refer to the club overview to find out the collection information for your child's club(s). **All extra-curricular clubs finish prompt at 4:15, except for Gymnastics who finish at 4:30pm.** It is essential that we see a child go home with an adult and our staff leading clubs may not be as familiar with your faces as class teachers. Thank you in advance for your patience and understanding. Year 5 and 6 children may walk home independently providing permission has been given – this is specific permission from a club rather than walking home at the end of a normal school day. Please do let the member of staff or the school office know if this is your wish.

Please note that Learning Club finishes at 4pm. We do ask parents to support staff by collecting on time. If your child intends on walking home, please see the information above.

Sports clubs are usually held outside and unfortunately, as the school hall will already be in use with other clubs, there is usually no alternative space to deliver the session when weather conditions are extremely poor. We will still run clubs in typical British weather i.e. cold, drizzle, wind but will cancel if

weather is worse. We appreciate that short notice cancellation can cause difficulties for parents, and we try to avoid this where possible. Depending on the activity, please include weather appropriate clothing e.g. a jumper and a waterproof coat. Your child will need a drink, shin pads (if playing football), a sports kit and trainers.

In the event of a club being cancelled, you may be offered the choice to collect your child at 3:15pm or alternatively your child may attend KS1 or KS2 learning clubs until 4pm.

We are extremely proud of the extra-curricular provision we offer. Funds raised by children attending clubs are used to fund equipment, travel and other essentials to enhance the clubs. Parents accessing Pupil Premium funding may receive one club per term free of charge where there is availability. Please contact the school office as soon as possible to enquire as places fill up quickly.

Thank you for your continued support. We look forward to seeing the children thrive and flourish in our after-curricular clubs!

Best wishes,

Miss Webb
Assistant Headteacher
