### **EYFS Early Reading, Writing and Phonics Parent Information Meeting**

Dear Parent/Carer,

We would like to warmly invite you to our Early Reading, Writing and Phonics Parent Information Meeting on **Thursday 24<sup>th</sup> September at 4:30pm in the main school hall.**

As your child begins their exciting journey in early education, one of the most important areas of learning is phonics, which is the foundation for reading and writing. This meeting will provide you with valuable information about:

- What phonics is and why it is so important
- The systematic phonics programme we follow in school
- What phonics looks like in your child's classroom
- How phonics supports reading fluency and early writing
- How we assess your child's progress and provide support
- How you can help at home with simple, effective strategies

#### **What is Phonics?**

Phonics is the method we use to teach children the relationships between letters and the sounds they make. It helps children decode words when reading and build words when writing. Mastering phonics gives children the confidence and tools they need to become independent readers and writers.

#### **Why Is This Meeting Important?**

Phonics is the key to unlocking literacy. A strong start now sets your child up for success throughout primary school and beyond. We know that children do best when parents and school work closely together and we are committed to supporting you as you support your child. We really encourage all parents and carers to attend if possible. If you are unable to attend, we will make sure the key information and resources are available afterwards on the EYFS section of our school website.

Please enter the school via the community entrance or the front office. Members of staff will be at both entrances to welcome and direct you. The meeting will begin promptly at 4:30pm and will last for approximately 45 minutes. If you have any questions, please do not hesitate to contact your child's class teacher or the office via email.
