

It is important that your grant is used effectively and based on school need. The Education Inspection Framework (Ofsted 2019 p64) makes clear there will be a focus on 'whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school'.

Under the Quality of Education criteria (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make additional and sustainable improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and Sport Premium to:

Develop or add to the PESSPA activities that your school already offer

Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to publish details of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment by the end of the summer term or by 31st July 2020 at the latest.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2020. To see an example of how to complete the table please click HERE.

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your

Key achievements to date:	Areas for further improvement and baseline evidence of need:
 Staff trained using updated PE resources including new dance and gymnastics scheme implemented in school Happy lunchtimes continue to ensure active and structured play during lunchtimes More intra and personal best competitions ensuring all children have opportunities to take part, challenge themselves and recognise achievement Staff motivation, confidence and competence in delivery increased by staff members 	 Staff using and utilising the new scheme to its full potential Staff beginning recognise children's ability in an area of PE and support their next steps with confidence Support staff in embedding active learning opportunities across the wider the curriculum CPD for MDAs to deliver Happy Lunchtimes effectively and positive, active play during lunchtimes Attend a range of competitions organised by WASSP Encourage a strong growth mind-set amongst all learners and a positive mental well being Incorporate social distancing games and activities into the curriculum

Meeting national curriculum requirements for swimming and water safety.	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020.	92%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	85 %

What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	100 %
	Yes <mark>/No</mark> Due to Covid this didn't happen as planned

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and

School Sport and Physical Activity. Use staff and other role models to speak to children about participation in school sport and physical activity. Share personal challenges, barriers to programme – RESPECT (resilience. success and sporting achievements.

Raise awareness of healthy mind set.

per half term. This involves training the staff to explicitly teach transferable life skills. They will use the character education within the lempathy, self-awareness, passion. excellence, communication and teamwork).

Organise with WASSP to send children on the young leaders training and change 4 life champion training.

During celebration assemblies. children will be acknowledged for their participation in school competitions and festivals. Children who have achieved success out of school will also be highlighted and acknowledged on the weekly newsletter.

Teachers and school staff to talk to children during PSHE about healthy mind and body.

Sharing strategies and techniques for a positive mental well-being.

Membership of Futures in Mind so we can continue to raise awareness of mental health and enhance the knowledge of staff in recognising the signs.

Drawing and talking used as a tool to offer support to those children identified.

£10500

Feedback from staff:

During one of our sessions, the children had to think about which items were essential for survival and role models for the children to why. It was incredible to hear the discussions within the groups and some of reasoning and awareness of why those items may be essential. The children had to share with the rest of the aroups what they discussed and why. It was lovely to see the maturity and the passion of Year 1 children. All children have loved the variation of activities within the scheme particularly the children who didn't meet ELG. The confidence displayed from those children was lovely to witness. The children then went on to create a shelter which allowed the work as a team. communicate effectively and display an awareness of everyone's ideas within the group. (E.Grice Year 1 teacher)

Children are delighted with their achievements.

Children are proud to represent the school and said it makes them feel special.

Children took on the ownership and responsibility to report on the events and competitions they had been involved in.

Create a whole school display to celebrate achievements and aspire to.

Create certificates for athlete of the week/term that can be sent home and success shared with parents.

Invite inspirational sports personalities into our school to further inspire the school community.

PE lead to research available CPD and resources to support staff in effectively supporting children displaying signs of poor mental well-being, anxiety and withdrawn behaviours.

PE lead to research resources to support the mental well-being and mind-set of our young children following the challenging circumstances.

Increase in staff awareness of the Lunchtime provision provided daily for every group throughout the signs a child requires support to week for children who feel they discuss any worries or concerns want relaxation, yoga or to share they have. and discuss problems or worries. Positive feedback from the children attending the lunchtime provision. They felt that it was good to talk to familiar adults and enjoyed having time out in a quiet and relaxing environment.
