Monday 2nd November 2026

Year 2 Gulliver's World Residential - April 2027

Dear Parents/Carers,

We are delighted to share details of our annual overnight residential visit for Year 2 children, which has been arranged for **Thursday 22nd April 2027 to Friday 23rd April 2027**.

All three Year 2 classes will attend the residential and stay overnight at **Gulliver's World Resort, Warrington**. This is always a fantastic experience and provides children with the opportunity to develop confidence, independence, resilience and friendships whilst taking part in a range of exciting activities.

The total cost of the visit will be **£105.00 per child**. This includes:

- One night's accommodation
- Breakfast
- Lunch on both days
- Evening meal
- Activities led by Gulliver's World staff
- Entrance to the theme park, allowing children to enjoy time on the rides with their friends

The activities children participate in are fun, engaging and closely linked to the Year 2 curriculum. They include a plant and wildlife hunt around the park, a scooter safari, discovering what the site was like when it was RAF Burtonwood, as well as a range of interactive team-building and problem-solving activities. Children will also enjoy a night-time disco.

To help keep costs as low as possible, we ask parents and carers to drop children off directly at Gulliver's World at 9:30am on Thursday 22nd April and collect them from Gulliver's World at 2:30pm on Friday 23rd April. We hope these times will also support arrangements for siblings attending school.

Securing Your Child's Place
To secure a place, a **non-refundable deposit of £10.00** must be paid by **Monday 23rd November 2026** via ParentMail.

Please note that by paying the deposit, you are committing to your child taking up their place on the residential and agreeing to complete all remaining payments by the stated deadlines. If you wish to discuss the payment schedule, please contact the school office.

Payment Schedule

Payment Due Date	Amount
Monday 23rd November 2026	£10.00 deposit
Monday 1st February 2027	£50.00
Monday 5th April 2027	£46.00
Total	**£106.00**

This residential is classed as an optional extra, part of which takes place outside school hours. Therefore, the school requires full payment for the visit. Parental consent must be received before the stated deadline for all educational visits and residentials. In order to plan effectively, we are unable to accept late applications or payments after the published deadlines.

If your child requires medication during the residential, please complete an Administered Medication Form, available from the school office. Completed forms, along with any medication, should be provided to your child's class teacher at least 14 days before departure.

Parent Information Evening
We will be holding a **Parent Information Evening on Wednesday 10th March 2027 at 2:30pm**, where we will share further details about the visit, discuss arrangements and answer any questions. More information regarding this meeting will be sent closer to the time.

We would love as many children as possible to attend this residential visit. These experiences create lifelong memories and provide valuable opportunities for children to build confidence, independence and friendships. If your child has any questions or concerns about attending, please speak to their class teacher so that we can offer support and reassurance.

Kind regards,
Miss Webb
Acting Deputy Headteacher
