Dear parents and carers,

We would like to invite you to an information evening for Year 5 on **Thursday 5th June at 4:30pm**, where we will be discussing the current structure for Year 5, key aspects of your child's learning, including how you can support further at home and the expectations for Year 6 ahead of September.

During this session, we will provide you with information on the following subjects:

- **The current teaching structure and support offered for Summer in Year 5.**
- **The Year 5 expectations for reading, writing and mathematics:** We will share with you the objectives the children need to be secure in by the end of Year 5.
- The **pastoral support** we offer throughout school.
- **How you can support your child at home**, including a range of resources that you can take away to use to support your child.
- **High Performance Learning (HPL):** We are excited to share how we are implementing our Values Curriculum and HPL to help children develop skills such as resilience, collaboration, and creative thinking, supporting them to become confident, independent learners.
- **Information regarding secondary school places and applications.**

The session will last approximately 30 minutes, and there will be time at the end for any questions you may have. The meeting will take place in the school hall. Please enter **via the community entrance**. All the information from this evening will remain available after this time on the year group page of our school website for you to view at your own convenience.
