MEDICAL FORMS

Medical forms are to be signed and returned to school **2 weeks** prior (Tuesday 5th May) to the residential, along with any medication needed.

We understand that in some cases it may be difficult to hand in medication two weeks before, especially if you only have one type of cream. If this is the case, we please ask that a photograph of the medication is sent in instead so that we can cross reference it with the medical form.

For any more information on this, please speak to your child's class teacher.

ANY QUESTIONS?
