Year 1 Neil Armstrong Workshop

Dear Parents/Carers,

We are very excited to offer our Year 1 children the opportunity to experience a Neil Armstrong workshop this half term on **Tuesday 4th February for classes 4 and 5** and on **Wednesday 5th February for class 6** to help bring the history curriculum alive.

As part of the history curriculum, Year 1 will be learning all about the lives of significant individuals and how explorers have changed the world. We are therefore offering the children chance to take part in the '*Delve into History*' workshop where they will be able to discover how Neil Armstrong turned his dreams as a young boy into reality by becoming a pilot and making history as the 'first man to walk on the moon'. As this workshop will take place in school and within the school day, the children will be required to wear their usual school uniform.

We are asking for a voluntary contribution of **£4.00 per child** to cover the cost of the visit. Payment can be made online via our ParentmailPMX system, and we kindly ask that this, along with the signed permission slip is returned by **Monday 3rd February**. Without contributions from parents, the impact on the school budget would be significant and reduce the amount of money available to support other areas of your child's learning and we would like to thank you for your continued support.

Yours sincerely,

Mrs A Cleary
Year 1 Lead
