

EYFS newsletter

We hope you all had a lovely half term! We wanted to share with you some of the things we are getting up to this half term.

Please see the class teachers emails below if you need to contact your child's class teacher.

Class 1 Mrs Lunt a.lunt@cvps.omegamat.co.uk
Class 2 Miss Hardman l.hardman@cvps.omegamat.co.uk
Class 3 Miss Saxon l.saxon@cvps.omegamat.co.uk

If you have any concerns, questions or queries please do not hesitate to contact your child's class teacher.

Thank you for your support,

Dates for this half term

Monday 4th March EYFS trip to the museum

Thursday 7th March World book Day

Topic

This half term we are learning about the season Spring. We be learning about the signs of Spring and what happens to our environment, animals and wildlife.

We will also be learning about the life cycle of a duck and are very excited to have our own eggs in school for the children to watch hatch and look after. Our eggs are from Incredible Eggs which is an ethical company. If you would like anymore information, please see your child's class teacher.

Maths

The children are now receiving a piece of maths home learning every two weeks in their purple maths home learning books. This home learning is based around learning that the children have already covered in maths so should be able to be completed with some independence. This half term in maths we will be focusing on learning number bonds to 10, naming and talking about the properties of 3D shapes and counting beyond 10.

Reading

During Read Write Inc phonics session we will start to learn set 2 sounds. We will be focusing on using correct letter formation and sitting letters on the line. The children will be writing simple sentences independently using finger spaces and full stops. For example, I go to the shop. We will be sending home a copy of the green words containing the set 2 sounds for your children to practice at home alongside the red words.

It is important to continue to practise green and red words at home. We are starting to teach the children to use 'Fred in Head' in order to encourage reading fluency, recognising key words in reading books really helps with this. The children should be able to start to recognise some of the words without sounding them out. It is very important to be reading with your child 5 times a week. This will help your child to become a confident, fluent reader and to grow a love of reading. If your child has their reading record signed 5 times a week they will then receive 5 dojo points. **Please can all reading books and reading records be kept in book bags every day.** Please can any books at home be returned to school to ensure we have enough books to give out in school.

Snacks and water bottles

- Please send your child to school with a water bottle containing water only.
- A healthy snack will be provided by the school daily. This is usually an apple, pear, banana, orange or raisins.

P.E

Please ensure your child has their PE kit back in school. All items need to be clearly labelled with your child's name, including shoes. Kits are sent home every half term to be washed and so you check sizes.

Uniform

A reminder to please label all children uniform with your child's name so we can ensure they have all their belongings with them at the end of the day. A gentle reminder that children are required to wear formal school shoes. If you have any questions regarding this, please speak to a member of staff.

We would also like to take this opportunity to thank you for your continued support and remind you that should you have any concerns please do not hesitate to contact us.

Kind regards,

EYFS Team

Chapelford Village Primary School

EYFS Newsletter

Spring Term 2

Literacy

Reading

To read sentences made up of words with known letter sound correspondences and green and red words.

Writing

To write short sentences with words with known sound letter correspondences using a capital letter and a full stop.

Comprehension
