## ChaPTA OPAL Stay And Play Session

Dear Parents and Carers,

We are excited to share details of the next ChaPTA event taking place in school. You are invited to join us for our OPAL Stay and Play sessions on **Wednesday 29<sup>th</sup> April**.

We held our first event last year and it was a huge success. Not only did we raise a significant amount of money, which has gone towards supporting the school and developing our OPAL resources, but we also spent a lovely afternoon in the sunshine together as a community. We are really looking forward to hosting it again this year!

The session will run from 3:30 until 5:15pm and you are welcome to come for some or all of it. Please enter via the community entrance to collect a wristband in the hall prior to the event starting. As teaching staff support the event, we ask please that you please bear with us at the end of the day and do not access the equipment until staff members are able to be outside from 3:30pm. This enables us to be compliant with our risk assessment for the event.

Children will be able to enjoy a fun and interactive play session using all of the OPAL equipment, including the climbing frame, sandpit, mud kitchen, den building, water play, sports zone, our brand new trim trail and more. There will also be food and drinks available from RG Food Truck, who were a great success at our previous event.

To add to the fun and help raise even more money for the school, there will be a family quiz available to complete for an entry fee of £2 per family, with a prize for every completed entry.

Tickets are available to purchase from Monday 20th April via <http://www.pta-events.co.uk/chapta> at a cost of £2 per child. Siblings who do not attend the school are very welcome to join us. Please remember that all children must be supervised by an adult at all times.

There will be some bench seating available around school; however, if you would like to bring a chair to relax and (hopefully!) enjoy the warm weather, please feel free to do so.

We do hope you can support this event. ChaPTA are working hard to provide enjoyable family events while raising valuable funds for the school, and these events are only possible with your continued support.

Kindest regards,  
**ChaPTA**
