

PE and Sport Premium Funding Impact Report – 2023 to 2024

Total amount allocated for 2023/24	£21,580
Total amount of funding for 2023/24. To be spent and reported on by 31st July 2024	£21,580

Swimming and water safety

Meeting the Swimming and water safety National Curriculum requirements	
What percentage of Year 6 pupils can swim confidently, proficiently and confidently over a distance of at least 25m?	
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	
Has the school chosen to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements	Yes
The school has chosen to hire an on-site pool for this academic year and has included one additional week to offer catch up provision for Year 6 pupils which the local provider was unable to offer.	

Spending Impact for 2023-24

Objectives:

1. Engaging all pupils in regular physical activity
2. Raising the profile of PE and sport across the school as a tool for whole-school improvement
3. Increasing staff members' confidence, knowledge and skills in teaching PE and sport
4. Offering pupils a broader range of sports and activities
5. Increasing pupils' participation in competitive sport

Objective 1: Engaging all pupils in regular physical activity (a minimum of 30 minutes daily)			Percentage of total spending
			39%
Actions	Funding Spent	Evidence and Impact	Sustainability and next steps
To continue to improve the delivery of structured physical activity at lunchtime. Working within guidance from OPAL (Outdoor play and Learning) provide opportunities for children to engage in freedom of play involving	Purchase of sports equipment for playtimes including scooters, bikes, trail making materials and storage to allow pupils to choose activities freely and independently.	100% of pupils to be actively engaged in physical activity during lunch and play times.	

<p>physical activity such as wheeled play, climbing, building alongside more traditional activities such as football, badminton, rugby and volleyball</p>	<p>£5500</p>	<p>Pupil voice and staff observations will show that far more children are engaging positively with physical activity during break and lunch times, and for much longer periods.</p> <p>Children will be more creative with their physical activity, and are able to be active in a much wider variety of ways.</p> <p>PE standards in school to keep increasing (% of pupils achieving school defined expectations)</p>	
<p>Pupils given time and space to initiate physical activity confidently during lunch time with the support of trained peers, Play Ambassadors.</p>	<p>Trained by Play team in school Cost of additional staff time: £500</p>	<p>Peer role models will support play and present pupil voice for changes.</p> <p>Younger pupils will engage more actively in play when playing alongside older role models</p>	
<p>Supervising staff, known as the Play Team, to receive ongoing support and training so that they are confident in the OPAL system and can judge and support pupils to manage risks effectively.</p>	<p>Whole school training including MDAs in autumn 2. Overtime for MDAs plus Play Team leader to engage with training throughout the year on a half termly basis after the initial 3 hour training £1250</p>	<p>Well-informed, supported staff who receive regular training opportunities.</p> <p>Valued staff to support MDA retention.</p> <p>All staff to understand concept of OPAL system and how to best support ALL pupils engage with physical activity – particularly those less able or confident</p>	
<p>Develop leadership opportunities within school to support physical play</p>	<p>Additional cost for two play supervisors for 12 months during initial period of embedding the play system £1150</p>	<p>OPAL will be embedded successfully as a result of daily support and play assemblies. Staff and pupils will be more confident in evaluating and taking risks.</p>
