ChaPTA: Pumpkin Competition

Dear Parent / Carer,

We are excited to share details about ChaPTA's annual pumpkin competition event, which will take place in school, to celebrate the best decorated pumpkin. This is a fantastic opportunity to have some Halloween fun at home with your child, whilst raising money for our school.

If your child would like to enter this competition, please bring your child's decorated pumpkin in on the morning of **Friday 1st November** along with a £1 entrance fee. The £1 can be paid online via Parentmail with all money going towards school. Please ensure that the pumpkin has your child's name and class number clearly written on in permanent pen. Please do not bring your pumpkin in any earlier than this Friday, as unfortunately we do not have anywhere suitable to store them.

We work closely with ChaPTA to help enrich the education and experiences of our pupils by organising activities to raise funds. Therefore, for every entry, money will be raised and used to purchase school equipment that the school budget does not support.

Each entry will be judged by ChaPTA and our school council team, where a first prize winner will be chosen from each year group.

All pumpkins will need to come into school via the front entrance and be placed in this area, where each year group will be labelled. School staff will be at the front of school on the morning to support.

We look forward to seeing all your creative designs.

Thank you for your continued support of ChaPTA and our school events.
