Thursday 10th March 2022

Dear children,

The school council have been working hard to think of ideas for Red Nose Day which are a little bit different and match the theme for this year, Thankyou for the ideas you all shared with us in class. We took these to our meeting and used them to make a plan for the day.

This year, the actual red noses are animal themed so we decided it would be fun to make it an animal themed day. This can be as much or as little as you like. You may just want to wear grey clothes because an elephant is your favourite animal or you may prefer the bright colours of a lion. Some of you may even want to have face painting or add bits to make it an animal costume. You can, of course, bring in your red noses for the day too. Please could you bring in a £1 donation and the school councillors will come round and collect from your classes. We will let you know how much the school has managed to raise during assembly.

One last thing, just so you can start thinking about it. On the day, there is a competition for us to enter which can win prizes for the school and all we have to do is design a habitat for our favourite red-nose animal. You will have some time on the day but maybe start thinking of some ideas.

Yours sincerely,

The Chapelford school council team
