

SMSC Subject Statements

Subject: PSHE

Spiritual

- The children discuss beliefs, feelings, values and responses to personal experiences.
- They are given the opportunity to form and maintain worthwhile and satisfying relationships.
- Children have the chance to boost self-esteem by developing in their learning experiences.

Moral

- The children understand and recognise the unique value of each individual.
- PSHE allows the children to take initiative and act responsibly with consideration of others.
- Children listen and respond appropriately and respectfully to the views of others.

Social

- PSHE allows the children to develop and understanding of their individual and group identity.
- Children help others in the school and the wider community.
- The children participate in the wider life of school through opportunities given such as the School Council.

Cultural

- PSHE supports the children in recognising the value and richness of cultural diversity in modern Britain.
- The children develop and understanding of the UK's local, national, European, Commonwealth and global dimensions.
