

School Council Newsletter: Spring Term

Despite school only being fully open for the last 4 weeks of term, the school council have been very busy. Take a look at some of the exciting events that have been happening in School Council this term.

Goodbye and Thank You

At the end of the Spring term, we said goodbye to our wonderful school council reps who have served so far this year. These children have represented the views of their classes, held votes to decide on important school issues, allocated school funds and acted as ambassadors for our school at open evenings. We are very grateful for their service. As a token of our appreciation, the outgoing School Council reps were awarded with a certificate in recognition of their fantastic work.

A warm Welcome

At the beginning of the Summer term, we will be welcoming back some of our School Council representatives from the 2019/20 academic year. As their term of office affected by the first lockdown, the current reps asked to be given the chance to serve their full year in office so they will be serving as our School Council representatives for the rest of the academic year. We can't wait to welcome back some familiar faces and appoint our new School Council Chair, Vice Chair, Secretary and Treasurer.

Art Work in the Community

Following on from the success of the School Council's 'Christmas Cards for the Community' initiative, the School Council

decided to cheer up local care homes with some art work. All of the children in school created a piece of art work as part of their Spring term art curriculum and the school council chose their favourite pieces to distribute to care homes in our local community. We framed the pieces and delivered them to care homes for the residents to enjoy.
