Summer Term After-School Clubs: W/B 28th April – W/B 7th July

Dear parents and carers,

I am writing to you to share information about the after-curricular clubs on offer for your children in the summer term.

As a school, we believe that taking part in an after-school club is a fun and exciting way to meet new people and learn new skills that you might not normally have the chance to. We have a variety of clubs available, ranging from sports clubs to creative clubs such as arts and crafts. Whatever your child's interests may be, we have a club that will spark their curiosity and passion.

We encourage you to discuss the club options with your child and consider signing them up for a club that aligns with their interests. The clubs will run on specific days after school hours, and our dedicated staff members will ensure a safe and enjoyable experience for all participants. Please see an overview of the clubs on offer attached to this letter. This will give you all the information you need before signing up.

If your child wishes to join a club, you just need to sign up online via our ParentMail shop. Places are offered on a first come, first served basis. **Clubs will be available to sign up to on Tuesday 23rd April at 7pm.** Clubs have a maximum number of places and payments are accepted online only. The clubs will run across the summer term for 9 weeks with Monday clubs running for 8 weeks. Clubs will begin the week beginning Monday 28th April and finish the week beginning Monday 7th July. **There will be no clubs, including Learning Club, on the weeks beginning Monday 21st April and Monday 30th June. There are also no clubs on Bank Holiday Monday 5th May.**

We are very fortunate to have such supportive parents who ensure that their children are picked up from clubs at the designated time. However, we've noticed an increasing number of children not being collected promptly from after-school clubs, including Learning Club.

Clubs start at the end of the school day and collection after the club is from various areas of school depending on the club. Please refer to the club overview to find out the collection information for your child's club(s). **All extra-curricular clubs finish prompt at 4:15pm with the exception of Gym which finishes at 4:30pm.** It is essential that we see a child go home with an adult and our staff leading clubs may not be as familiar with your faces as class teachers. Thank you in advance for your patience and understanding. Year 5 and 6 children may walk home independently providing permission has been given – this is specific permission from a club rather than walking home at the end of a normal school day. Please do let the member of staff or the school office know if this is your wish. **Please note that Learning Club finishes at 4pm.**

We understand that unforeseen circumstances can arise, and we ask that you call the school to inform us of any changes. If a child is not collected within 5 minutes of the designated pick-up time, they will be taken to the front office to be supervised by a member of the Senior Leadership Team (SLT), while a member of our office staff contacts home. This can cause anxiety for children who are waiting, as well as disrupt our staff's working hours. Therefore, we kindly ask that all children are collected on time from the correct pick-up point, which was communicated in the original letter. In cases of persistent late collection, a member of SLT will reach out to discuss alternative after-school provisions.

Sports clubs are usually held outside and unfortunately, as the school hall will already be in use with other clubs, there is usually no alternative space to deliver the session when weather conditions are extremely poor. We will still run clubs in typical British weather i.e. cold, drizzle, wind but will cancel if weather is worse. We appreciate that short notice cancellation can cause difficulties for parents, and we try to avoid this where possible. Depending on the activity, please include weather appropriate clothing e.g. a jumper and a waterproof coat. Your child will need a drink, shin pads (if playing football), a sports kit and trainers.

In the event of a club being cancelled, you may be offered the choice to collect your child at 3:15pm or alternatively your child may attend KS1 or KS2 learning clubs until 4pm.

We are extremely proud of the extra-curricular provision we offer. Funds raised by children attending clubs are used to fund equipment, travel and other essentials to enhance the clubs.

Parents accessing Pupil Premium funding may receive one club per term free of charge where there is availability. Please purchase your place and then contact the school office, where a refund will be issued as soon as possible.

Thank you for your continued support. We look forward to seeing the children thrive and flourish in our after-curricular clubs!

Best wishes,

Miss Webb
Assistant Headteacher

So, come dig in and grow something amazing with us!</i>
Yoga & Mindfulness	<i>Step into tranquillity at the Yoga and Mindfulness Club. Join us for a peaceful and rejuvenating experience as we explore the ancient practice of yoga and the art of mindfulness. Through gentle stretches, calming breathing exercises, and relaxation techniques, children will learn to cultivate inner peace, focus, and emotional well-being. Let's unwind, de-stress, and find balance in body and mind together in the Yoga and Mindfulness Club!</i>

STEM	<i>Join our STEM After-School Club for a fun-filled exploration of Science, Technology, Engineering, and Mathematics! Each week, you will dive into exciting hands-on projects, solve creative challenges, and discover the wonders of STEM through engaging activities. It's a great opportunity to spark curiosity, develop problem-solving skills, and work collaboratively with peers.</i>
Dodgeball	<i>This club offers a high-energy environment for players of all skill levels. We focus on building athletic skills, strategic thinking, and sportsmanship through exciting, fast-paced games. This is the perfect way to make new friends, stay active, and dodge, duck, dip, dive, and dodge! Come unleash your inner_dodgeball champion and be part of the action!</i>
Sip 'n' Splash	<i>Sip 'n Splash is a welcoming club where children can take a break from their busy lives, enjoy a refreshing drink, and practice mindfulness through art. Whether they want to relax, unwind, or have a quiet chat, this space is designed to foster calm and creativity. For one hour, children can escape the hustle and bustle, explore their feelings through gentle activities, and simply be themselves in a safe, supportive environment. It's the perfect opportunity for them to recharge, express themselves, and find peace in a soothing, non-judgmental space.</i>
