

WORLD BOOK DAY

4 MARCH 2021

WORLD BOOK DAY

Dress Up!

This World book Day, things look a little bit different than usual; but that doesn't mean things can't be just as much fun! Whether you are learning at home right now or in school, we have got lots of fun things planned to make WBD 2021 just as special! Our focus will be on a lovely story, 'The World Made a Rainbow' so we thought it would be fabulous idea for this year's dress up theme to be rainbow! Find your brightest clothes or you might want to become an actual rainbow, you could just pick your favourite colour from the rainbow or you might want to be all of the colours; maybe even the pot of gold at end. You can dress up as your favourite book character too and you will still be part of the rainbow. It's entirely up to you but whether you are in school or at home we would love for you all to join in!

Live Zoom sessions

Our zoom sessions on World Book Day will be a little bit different so we wanted to give you some prior notice to make sure that you are ready to join in the fun. There will be one world book day link to use throughout the day which will be pinned to the top of the timetable.

Session 1 - 9:00- 9:45 am

This will be when you get to show your class teachers your outfit and discuss your favourite book or author. Your teacher will also tell you all about the day.

Session 2 - 10:45 - 11:15am

Session 3 - 1:30 - 2:00 pm

We will be issuing this year's £1 book tokens via Parent mail to spend online. We also have paper copies which we will be giving children when they return to school. Lots more information is available at <https://www.worldbookday.com> including free audiobooks.

EXTREME READ

One of our favourite parts of World Book Day is seeing your extreme reading photos. We know this year there aren't many places to go but all the more reason to be creative! Can you read with a pet? Upside down? Maybe in a strange place like the sink? Make sure you check with an adult first and get their help! Send your pictures in to your class teacher by Friday 5th March.

The Masked Reader

At 10am, on Seesaw a pre-recorded story read by the teachers will be available for you to watch - accept you won't be able to see their faces; will you be able to guess who's who?! All of our masked readers will be revealed the following morning!

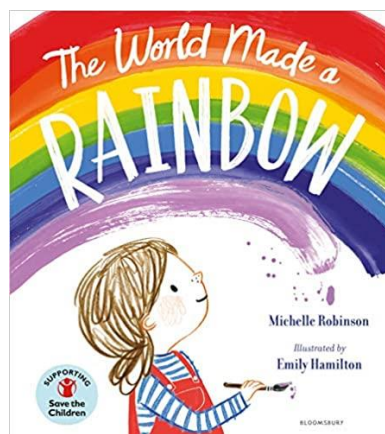

Stop, Drop & Read!

At 2:50 we would like you to stop what you are doing, no matter where you are, grab a book and read for 10 minutes until 3:00. It's your choice of book so make sure you have it ready - teachers this means you too!

Storytime

Your own class teacher will also share a story with you either via zoom in your literacy learning or a pre-recorded video for you to watch.

The focus of World Book Day will be the amazing book, The World Made a Rainbow by Michelle Robinson. It is a beautiful text and we will be using it to support our learning next week, not just on Thursday but on Friday and when we are all back in school on Monday 8th March. It will be the inspiration for writing, art and PHSCE leading to us creating a whole school display that shows us reunited under one rainbow. We will also be filling a time capsule and burying it in the school grounds for children to discover in the future.
