

20th September 2023

## **Welcome to Year 6 Evening**

Dear Parents and Carers,

We hope that this letter finds you and your families well at this time. We would like to inform parents of our Year 6 children about a Welcome to Year 6 Information Evening on **Wednesday 27<sup>th</sup> September 2023 at 5.15pm** in the **Main Hall**. All Adults can enter through the community entrance where you will be greeted by a Year 6 member of staff. The aim of this evening is to support you in understanding the structure of Year 6, to discuss the routines and expectations of the year, to explain how we will be supporting your child's transition to high school and to explain how we will be supporting pupils to maximise their progress this year. During this evening, we will be sharing Statutory Assessment information and key dates with you for our year group. All of the information from this evening will remain available after this time on our school website for you to view at your own convenience.

We will also share information about the residential and upcoming trips. This will give you an opportunity to ask any questions that you might have. If your child has a medical need or allergies or may need additional support, we urge you to attend the meeting so that details can be shared with staff members. Please note that all medicines, along with an administering medicine permission form, should be given to teachers by **Friday 13<sup>th</sup> October 2023** in order to allow this to be cross referenced against medical forms and the appropriate risk assessment and paperwork to be completed. The only exception to this, would be when medicine has been prescribed by a doctor after this date; in this instance, we ask that you share details as soon as possible.

The Year 6 team will be available for any questions throughout this evening. We ask that you please direct any questions after the meeting to our Year 6 Lead, Mrs Tickle, on the following email address: [r.tickle@cvps.omegamat.co.uk](mailto:r.tickle@cvps.omegamat.co.uk). If you do choose to view this information at a later date, please continue to direct your emails to this address and we will endeavour to respond as soon as possible. Could we politely request that children do not attend the meeting as information will be shared with them in school.

Thank you for your support, patience and understanding at this time and please do not hesitate to get in touch via the above email should you have a further query.

Kindest regards,

Year 6 team
