**Year 5 Visit to GSHS Drama Performance at Great Sankey High School.**

Dear Parents and Carers,

Our Year 5 children have been offered an exciting opportunity to **visit Great Sankey High School on the afternoon of Monday 19<sup>th</sup> January** to watch the school's upcoming drama production of *Annie*. This will be a wonderful drama enrichment experience and a fantastic opportunity for the children to enjoy a live theatrical performance at the Barrow Hall Theatre. It will also provide a valuable opportunity for the children to visit the secondary school ahead of the transition period in Year 6.

The performance will take place on Monday afternoon **from 1.00pm to 2.30pm**. Transport to Great Sankey High School will be provided by us via coach. Earlier in the year, we wrote to all parents to request contributions towards three enrichment experiences across the year, one of which will be used to cover the cost of transport for this visit; therefore, parents are not required to make any additional contribution for this event.

As the transport provided is one-way, **we would really appreciate it if you could collect your child from the Barrow Hall Theatre entrance at the end of the performance at approximately 2.30pm**. If you are unable to collect your child at this time, please let us know via the electronic permission form so that we can look at arranging alternative transport. Similarly, if your child attends an after-school club or wraparound care on this date, please inform us so that we can organise for them to return to school following the performance.

Staff members from our school will accompany the children on this visit. The children will have their lunch at school before leaving and will therefore only need to bring a suitable coat with them.

If you give permission for your child to attend this visit during the school day, please complete the electronic permission slip **by Thursday 15<sup>th</sup> January** and indicate whether you are able to collect your child from the theatre entrance following the performance or require support for your child to return to school.

If you have any questions or concerns, please do not hesitate to speak to your child's class teacher.

Yours sincerely,

Mrs Hackett  
Acting Deputy Headteacher
