Year 6 End of Year Events

Dear Parents and Carers,

I hope that this letter finds you and your families well. As we are now approaching the last half term of the year and preparations are in full swing for the transition of our year 6 children to secondary, I wanted to share an update of where we are up to for our end of year events.

This year, due to its overwhelming popularity over the last few years, our end of year celebration for our year 6 children will be a festival day on **Thursday 18th July**. This will be a fun-filled day with a wide range of activities which will reward the children for their hard work throughout the year and allow them time to spend time together as a year group before the children go their separate ways. We are kindly asking for a **contribution of £15** for the event; this will include a festival themed keepsake, a range of inflatables and games, food, refreshments and treats. As the theme for the day is 'festival', children are allowed to come into school in **appropriate** festival attire. We kindly ask that a deposit of £5 is paid via ParentMail by **Friday 14th June with full payment no later than Monday 8th July**.

The teachers are also busy planning a memorable leavers' assembly which will take place on the afternoon of the last day of school, **Friday 19th July**. We will confirm a time closer to the date but wanted to give you advance warning for your diaries. We are so looking forward to being able to invite families into school to share this special day with the children.

Most children should now have been sent information from their chosen secondary school regarding transition days and information they require. Year 6 teachers have commenced transition meetings with all schools which will include the sharing of friendship groups, academic progress, extra-curricular strengths, and any additional support which we feel may be required. Although we know our children are ready for the next stage of their education, we understand that this can be an unsettling period for them.

If you have any questions at all about the transition period or the upcoming events, please do not hesitate to contact your class teacher or myself as Year 6 Lead via the email address r.tickle@cvps.omegamat.co.uk, and we will be more than happy to support.

Yours sincerely,

Mrs R Tickle
Year 6 Lead
