### Year 3,4,5 and 6 Times Tables club

Dear Parents/Carers,

Due to the popularity of the club during autumn term, we would like to offer your child the opportunity to attend additional times tables club sessions. Children will be able to choose to either access Times Tables Rockstars or join in games to build confidence and quick recall of multiplication facts. A child's confidence and ability to recall times tables with speed and accuracy has a great impact on their confidence in maths, allowing them to access multiplication and division calculations and reasoning with much more ease. Use of similar groups in school previously has had really pleasing results and more importantly, the children have been really engaged and are keen to succeed.

Sessions will take place as follow:

Year 3 and 4 Sessions to take place in class 15 Monday, Tuesday, Wednesday and Thursday mornings 8:15-8:45

Year 5 and 6 Sessions to take place in class 19 Monday, Tuesday, Wednesday and Thursday mornings 8:15-8:45

The sessions will operate as a drop in session so you can access one or all sessions as suits. We ask that if your child is attending, that they arrive promptly to start at 8:15 so that the session can take place without interruption. We look forward to welcoming as many children as possible for a fun, active learning start to the day. Please bring them to either class 15 for years 3 and 4 or class 19 for years 5 and 6.

The club will start week commencing Monday 24<sup>th</sup> January and the last session will be Thursday 17<sup>th</sup> February.

If you would like your child to participate, please fill in the proforma below and return to school as soon as possible.

If you have any questions about the club, please direct them to the class teacher or myself.

Yours sincerely,

Mrs Nichola Stewart  
Assistant Headteacher
