A huge warm welcome back to our new half term to all of our lovely parents and Year 5 children!

We hope that the children are well rested and ready for a new term with lots of hard work, perseverance, and challenges ahead.

As we continue to strive forward the best education for your child, we would like to confirm that, **homework in Year 5 is set each Friday and expectations for this are that they will complete 1 maths task, 1 grammar or comprehension task (alternated), 1 spelling task and will be expected to read 5 times at home per week. Homework is going to be a mixture of paper activities and online.** If your child does not have access to a device, please let your child's class teacher know, who will be more than happy to support. We do encourage this to be completed weekly in order to prepare your child in the best possible way for high school and the increased amount that we anticipate will be set for them.

Once again, a huge welcome back,
The Year 5 team

Children must bring to school their Chapelford Book Bags or bags that are able to fit into their trays. At this point for health and safety reasons, **we are unable to facilitate backpacks or rucksacks larger than these and these will not be able to remain in the classroom.**

PE will take place each week. Your child must have their PE kit in school which will remain in school. Children should arrive at school in their usual school uniforms on PE days as normal. PE this half term is invasion games.

Children should not bring their own pencil cases or stationery into school as equipment is provided for the children.

If your child requires to bring their mobile phone into school, a **mobile phone agreement must be signed and returned to school** prior to this. Please see your child's class teacher should you require a copy of this.

Children must not come into school in trainers or with jewellery. If your child needs to come for a particular reason, please discuss this with your child's class teacher.
