27th April 2020

Welcome - New Intake for September 2020

Dear Parents (and future pupils),

We are delighted that you have been allocated a place at Chapelford Village Community Primary School and that we received so many first choice applications. My name is Mrs. Hewson and I wish to formally welcome you to our lovely school. We are already looking to the future and welcoming you to our amazing school and you starting with us and making lots of new friends.

This is an exciting time for you and your child and we endeavour to make the transition into Chapelford Village Primary School as supportive as possible so that your child settles with us in a positive way. I am sure you appreciate, at this unprecedented time, future planning is currently a challenge for all schools and I ask you to bear with us during this period. Please rest assured, we are already planning for your child's start at school in the future, but until we have instruction from central Government putting into place firm dates and other transition plans is a challenge.

As a school, we are very lucky to have a very detailed and supportive school website, which you may find useful as a starting point in getting to know the school. You can also follow us on Twitter and Facebook where you will really see the daily life of the school in action - even in these strange times. The Early Years section on the website currently has some useful resources for you and over the coming weeks we will be adding a "New Starters 2020" section to the website which will have all the information, guidance and support for your child starting school with us in the future.

If you have any general questions or concerns in relation to your child starting with us please email these in the first instance to chapelford_admin@omegamat.co.uk. We will endeavour to get back to you or sign post you to appropriate support as quickly as we can. These are uncertain times and school is currently closed but we are working hard to support all our families at this time - it may just take a little longer than normal to deal with your queries so please be patient with us! We are doing our best!

In the next few weeks we will be in touch with the next steps we are planning for your child's start at Chapelford Village Primary School. Until then, welcome to the Chapelford Village Primary School family and we are all really looking forward to seeing you all as soon as possible in the future.

Take care and stay safe with your families.

Kindest regards,

Mrs J Hewson
Headteacher
