Dear Parents (and future children),

9<sup>th</sup> May 2020

My name is Miss Saxon, I am the EYFS lead teacher and I wish to welcome you to our lovely school and EYFS. We are already looking to the future and planning how we will welcome you to our school and starting your amazing learning journey with us, making lots of new friends along the way. This is an exciting time for you and your child and we endeavour to make the transition into Chapelford Village Primary School as supportive as possible so that your child settles with us in a positive way. I kindly ask if we haven't already got your email address could you please send it to [newstarters2020@chapelfordvillageprimary.co.uk](mailto:newstarters2020@chapelfordvillageprimary.co.uk). If you already have a child at school and are set up on Parent Mail then we will already have your details, so you do not need to email in. We will soon be sending out information packs and forms electronically via email. If you could please return the completed forms to the email address above. If you require a paper copy, please ask and we will send a copy out to you.

As a school, we are very lucky to have a very detailed and supportive school website, which you may find useful as a starting point in getting to know the school. There is a tab for transition, with a section for new starters, which currently has some useful resources about starting school. You can also see the staff, have a virtual tour of the EYFS classrooms and view our transition booklet.

Over the coming weeks we will also be adding more information, guidance and support for your child starting school with us. You can also follow us on Twitter and Facebook where you will really see the daily life of the school in action.

I am sure you appreciate, at this unprecedented time, future planning is currently a challenge for all schools and I ask you to bear with us during this period. At the moment, unfortunately we do not have the answers to all questions such as dates and times of transition. If you have any general questions or concerns in relation to your child starting with us please email these in the first instance to [newstarters2020@chapelfordvillageprimary.co.uk](mailto:newstarters2020@chapelfordvillageprimary.co.uk) We will endeavour to get back to you or sign post you to appropriate support as quickly as we can. These are uncertain times and school is currently closed but we are working hard to support all our families at this time.

Take care and stay safe with your families.

Kindest regards,

Miss L Saxon

EYFS Lead Teacher
