

Learning Project WEEK 3 - Viewpoints

Age Range: Year 1 + 2

Weekly Maths Tasks (Aim to do 1 per day)	Weekly Reading Tasks (Aim to do 1 per day)
<ul style="list-style-type: none">• Play on The Mental Maths Train Game - practise adding, subtracting, multiplying or dividing.• Practise counting in 2s, 5s and 10s. This game could support this.• Look in different rooms and go on a number hunt. How many items can you find that have numbers on them? What is the largest number you can find? What is the smallest number you can find?• Practise making shapes on this online geoboard. Once you have made the shape from one view, can you make it from another? How do you know it is still the same shape?• Choose a number between 0 - 50. Make a poster showing how many different ways you can represent this number.	<ul style="list-style-type: none">• Read a variety of books at home. Your child could share a book everyday. This can be reading a book aloud everyday or sharing a book with an adult.• Listen to the traditional story 'Jack and the Beanstalk'.• Find a set of instructions for planting a seed or a bean. Read the instructions out aloud. Can you follow the instructions and plant a seed? Remember to keep watering it!• Read a non-fiction book.• Read an article from a newspaper or magazine to an adult.
Weekly Phonics/Spellings Tasks (Aim to do 1 per day)	Weekly Writing Tasks (Aim to do 1 per day)
<ul style="list-style-type: none">• Daily phonics - your child to practice their sounds and blend words. Interactive games found on links below:<ul style="list-style-type: none">○ Phonics play○ Top Marks○ Spelling• Spell the days of the week• Spell common exception words• Practise your spellings using one of the online games on Spelling City.	<ul style="list-style-type: none">• Draw a picture of your house and label it.• Write sentences using adjectives to describe a room in your house.• Hide and seek: Write a set of instructions on how to find something in your bedroom. Think about the positional language to help find the object.• Diary: Keep a diary of things that happen outside one of the windows in your house. Write down sentences using suffixes. Try to use exclamation marks.• Draw a map of one of the rooms in your house. What symbols could you have? Where will you place items?

The project this week aims to provide opportunities for your child to learn more about different viewpoints.

Learning may focus on physical viewpoints in terms of what you can see outside of the window at home, what others can see looking into your home and then progress onto personal viewpoints and of others.

Using your senses:

Ask your child to pick a window in the house. Ask them to stand there for a few minutes and take a look at what they can see and write or draw them down. Now ask them to try this activity again but this time ask them what they can hear? Write or draw these down. Ask your child to help find a piece of material in the house and then blindfold them. What can they see? Which sense do they use now? Ask them to now cover their ears and look outside the window. What do they hear?

Find a mirror in the house:

What can they see? Imagine if they were able to walk into the mirror. What do they think you would see? Listen to the story '[Through the Magic Mirror](#)' by Anthony Browne. Look at the illustrations in the book and discuss what is different. Can they create a story similar to 'Through the Mirror'? Draw a story map first and plan their story. Using their story map, create their story and remember to think about your illustrations.

Find a place in the house.

Look around what they can see. Sketch what they can see. What is on the left hand side of them? What is the right hand side of them? Does it change if they sit in another part of the house? Make a list of all the things and compare.

School Uniform:

Do they think it is a good idea to wear a uniform or are they against wearing a uniform? Can they write down why they think they should have a uniform and then write down why they shouldn't? Design a new uniform. What would they wear? Would it be the same for girls and boys? What would they say to the school council? How would they campaign? Would they have badges, posters, events and banners to help their debate.

Could you design a new school logo?

Ask your child to think about their current logo now. What does it represent? What could they add or change? Is there something that represents their school or area recently that people would recognise? Look at the shape of the logo. Would they keep it the same or change it?
