Learning at Home

In the event of a school closure or the need for your child to self-isolate, we have collated a number of projects, tasks and learning activities for your child to access at home. These can all be accessed via our school website. We want to provide access to online resources for continuity of learning. We have also provided a 'generic' list of educational sites that may be useful during any closure. For ease of navigation, these resources have been organised by year group. You may, however, find your child needs to access resources on the page for the year group below theirs. If you have any queries, please do not hesitate to contact your child's class teacher via email.

The links below provide access to online resources currently in use both in school and at home. All children should have relevant usernames and passwords on a sticker in their reading record.

Letter Join

<https://www.letterjoin.co.uk/log-in.html>

Letter-join includes animations of all the letters of the alphabet with a spoken commentary on how to write each letter. Patterns, letters and words can all be watched and traced on-screen.

Bug Club

<https://www.activelearnprimary.co.uk/login?c=0>

Bug Club is a powerful whole school reading programme that is proven to raise attainment in reading and spelling – and loved by over a million children in the UK.

Reading Plus

<https://student.readingplus.com/seereader/api/sec/login>

Reading Plus® aims to develop and improve students' silent reading fluency, comprehension, and vocabulary.
