

20th September 2023,

Dear Parents and Carers,

We hope this letter finds you and your family in good health and high spirits. As we embark on this exciting new school year, we are delighted to invite you to a special presentation focused on our approach to Phonics and Reading in Year 1.

Event Details:

Date: Thursday 5th October 2023

Time: 5:30pm

Location: Year 4 Classroom

At Chapelford Village Primary School, we are committed to providing your child with the best possible foundation for their academic journey. Central to this mission is our use of the highly regarded Read Write Inc. phonics program. During the presentation, our dedicated Year 1 team will guide you through the key principles and methodologies of the Read Write Inc. phonics system. This tried-and-tested approach aims to empower our young learners with the essential skills and knowledge needed to become confident and proficient readers.

The session will cover:

1. Introduction to Read Write Inc.: An overview of the program and its benefits in supporting early reading development.
2. Phonics Techniques: Insight into the specific phonics techniques used in the classroom, along with practical examples.
3. Reading Strategies: How we integrate phonics with broader reading strategies to promote comprehension and fluency.
4. Home-School Partnership: Tips and suggestions on how you can further support your child's reading journey at home.
5. Q&A Session: An opportunity to ask any questions you may have about our Phonics and Reading curriculum.

We believe that a strong partnership between school and home is vital in nurturing your child's love for reading. This presentation is an excellent opportunity for you to gain a deeper understanding of our approach and how you can reinforce these skills in your own time.

Yours sincerely,

Mrs Alison Cleary
Year 1 Year Group Lead
