Pocket Rockets After-School Club
Year 1 & 2

Dear parents and carers,

We are delighted to be able to share with you that we can offer Pocket Rockets as an after-school club again next half term. After receiving such positive feedback and having seen Emma from Pocket Rockets in action, we were keen to invite her back in to deliver this club again to our younger children.

This club will continue to be held on Wednesday after school from 3:15 to 4:15. Collection is from the community hall. The first session will be on **Wednesday the 5th of June** and the club will run for 5 weeks finishing on **Wednesday 3rd July**.

Pocket Rockets Fitness is a fun and active sports class which is not tailored to a specific sport but offers a huge variety of energetic games and theme-based activities for children. The sessions are mainly run outdoors as this allows more space for the children to move around whilst getting plenty of fresh air. Activities include parachute games, relay races, teamwork challenges, water games and so much more!

There are 14 spaces available. If you wish for your child to participate in this club, please sign up via Parent Mail, which will be live and available to purchase on Friday 24th May at 6:00pm

Sports clubs are usually held outside and unfortunately, as the school hall will already be in use with other clubs, there is usually no alternative space to deliver the session when weather conditions are extremely poor. We will still run clubs in typical British weather i.e. cold, drizzle, wind but will cancel if weather is worse. We appreciate that short notice cancellation can cause difficulties for parents, and we try to avoid this where possible. In the event of a club being cancelled, you may be offered the choice to collect your child at 3:15pm or alternatively if available, attend KS1 or KS2 learning clubs to support with club collection time.

Kind regards,

Miss Webb
Assistant Headteacher
