Policy for Dogs on the School Premises.

At Chapelford Village Primary School the health and safety of our entire school community is priority.

The school received numerous complaints about dogs being brought onto the school site. These include:

- Dog Foul not being cleared up by owners
- Children holding leads
- Dogs being left unattended
- Excessive barking
- Dogs scaring children.

As a result of this:

Chapelford Village Primary School has a policy that no dogs (with the exception of guide dogs) are allowed on the school grounds during term time.

The only exception to this is for the educational benefit for children. In cases where dogs are used for the educational benefit of children a Full Risk Assessment, Safe System of Work and parental consent will be sought.
