3.1 Rates

The rates for hiring out different areas are listed in the table in the section above. We may decide that certain organisations or activities can use the premises for a reduced rate, or free of charge, if it supports the core aims of the school.

Users and Priorities

The governors have agreed to the following prioritisation of users: -

- **Statutory users.** Where it is established by statute that School premises may be used by public body, other users must stand aside. For example, if the School has a statutory obligation to provide a venue for elections. The charging of a rent to statutory bodies is prohibited by law; however, the School may recover any additional cost incurred due to additional caretaking, security, cleaning, heating and lighting being required.

- **Educational users:** Educational usage is the most valid extended utilisation of the school. Users from these groups will have priority of access except where a clash with statutory usage cannot be avoided. These users include organisations from within the school, and external educational organisations and their programmed activities.
- **Community users.** Users from local community groups and charities.
- **Private users.** Lettings to all other hirers (e.g. individual, groups or business users).

3.2 Cancellations

We reserve the right to cancel any agreed hiring with a minimum of 7 days' notice. A full refund will be issued if we do cancel a hire. The school shall not be liable for any indirect or consequential losses, including (without limitation) any loss of profits, loss of business or the loss of any revenue arising out of the cancellation of any hire.

The hirer of the premises can cancel any hire with a minimum of 7 days' notice. If less notice than this is given, the licensee shall not be entitled to a refund.

3.3 Review

The revenue raised from hiring out will be reviewed by the School Business Manager and will be fed into the school's financial reporting, to ensure best value is being achieved.

4. Application process

Those wishing to hire the premises should fill out the hire request form, which you can find in appendix 1 of this policy, and read the terms and conditions of hire set out in section 5.

The hirer should fill out and sign the hire request form and submit it to the school office. Approval of the request will be determined by the School Business Manager.

If the request is approved, we will contact the hirer with details of how to submit payment and make arrangements for the date and time in question. We will also send on details of the emergency evacuation procedures and other relevant health and safety documents. The hirer will also need to provide proof of their public liability insurance.

We reserve the right to decline any applications at our absolute discretion, in particular where the organisation does not uphold the values of the school, or reputational damage may occur.

19. The hirer will acquire all appropriate additional licenses for any activities they are running, including those required for use of any third party intellectual property.

24. The school and the hirer irrevocably agree that the courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim arising from this licence.

6. Safeguarding

We are dedicated to ensuring the safeguarding of its pupils at all times.

It is the responsibility of the hirers to ensure that safeguarding measures are in place while hiring out the space.

If there is a chance that those hiring the premises will come into contact with pupils, for example if the hire occurs during school hours, or when pupils may be present in the school (during after school clubs or extra-curricular activities), we will ask for confirmation that the hirers have had the appropriate level of DBS check.

Disclosure & Barring Service (DBS) checks have been carried out on all adults working with children on the activity or activities it undertakes on the school premises and that these checks demonstrate that all adults working with children on the activity or activities it undertakes are safe to do so. The Hirer is responsible for ensuring compliance with the DBS Code of Practice and any relevant Safeguarding Children Board requirements

The hirer is responsible for supervising any children participating in the activity or activities it undertakes on the school premises until they are collected by a responsible adult from the school premises
