"Our school is taking part in a new project that will run between **LA** schools and Cheshire Police. This project is called Operation Encompass. It aims to support children who are affected by domestic violence by ensuring that their school is informed. This then allows the school to provide intervention and support the children. **Our trained Key Adult is Clare Earps Business Manager**, who liaises with the Police and uses the information to support our children.

If you have any other questions about this project, please do not hesitate to contact school."
