

# School Council Newsletter

Hello and a warm welcome to the Chapelford Village Primary School's School Council newsletter. It has been a delight to have the school council back together again and we are excited about the wonderful ideas that we have for this year.

To ensure our school council continues to be effective and to enable each council member's voice to shine, we have given our existing councillors a chance to continue serving after last year's disruption. As a school council, we decided that the fairest way to do this was for all of our existing school council members to serve half a year each.

We are delighted to welcome some Year 2 representatives to our school council. Year 2 held their own democratic elections and chose their representatives to join our current team. We look forwards to seeing how school council flourish and continue to develop in their leadership.

## Elected Positions

Chair Person: Izzy

Secretary: Maisie

Vice Chair: Daisy

Treasurer: Cory

## Meet our School Council Chair

I am very excited to be Chair of the School Council. I am excited to represent my class, to share the views of my year group and to help make a difference on the school council. -Izzy
