Welcome to Year 6 & Standard Assessment Tests Meeting

Dear Parents and Carers,

We hope that this letter finds you and your families well. We would like to invite parents of our Year 6 children to a Welcome to Year 6 and SATs Information afternoon on **Wednesday 16th September 2026 at 2.30pm in the Main Hall**. All adults are asked to enter through the community entrance to the Main Hall. Access is available through the side gate or the back gate.

The aim of the afternoon is to give an insight into the year ahead and support you in understanding the process of the Year 6 assessments where we will share key dates with you and explain how you can best support your child with their learning. During the afternoon, we will also share information about the exciting events that will take place for Year 6 throughout the year and what you can expect from Year 6 for your child. All the information from the afternoon will remain available after this time on the year group page of our school website for you to view.

During the afternoon, there will be an opportunity to view a range of CGP books, which help support the children with their learning of mathematics, reading and spelling and grammar. These books include the SATs revision guides to support their knowledge and understanding and the SATs 10-minute test books, to support their application of skills and experience of different question styles.

As a school, we are able to purchase these books at a significantly discounted rate, therefore if you wish to purchase any of these books from the list below, please order online via Parentmail from the 16th September at 4pm until Friday 23rd October. We will inform parents once the books have been delivered and are available to be sent home via bookbags.
