

## English

Within English this half term our learning will be based around the book 'Beegu'.

We will also look at instruction texts.

Within these genres we will be looking at handwriting, spelling patterns, common exception words, adjectives, conjunctions, sentence starters and different sentence types.

We will be focusing on comprehension and inference skills during Guided Reading time and encouraging pupils to discuss what they have read.

We will also be recapping Phonics sounds focusing on Phase 5 but not exclusively.

## PE

This term in P.E we will be practicing our footwork skills and multi-skills. **Please ensure children have full kit (white t-shirt, black shorts or trousers and trainers), hair tied back and no jewellery.**

P.E is on a Wednesday and Friday afternoon.

## Computing

This half term we will be focusing on coding and teaching the pupils to use the 2Code tool on Purple Mash. They will have the opportunity to explore program design and problem solve. We will also recap internet safety.

# Year 2 Autumn 2

## RE

In R.E Beech class will be learning about Christianity through the Big Question - 'Why did God give Jesus to the World?'

## What to do at home

- Please make sure you are reading with your child daily.
- Continue to use 'Purple mash'.
- Times tables: 2s, 5s, 10s
- Practice handwriting  
<https://www.letterjoin.co.uk/log-in.html>
- <https://www.topmarks.co.uk/>
  - Top marks has a variety of English and Maths games to practice skills.

## Theme

This half term our theme our focus is 'To Infinity and Beyond'. Within this theme we will cover 3 questions:

Science - How can you keep fit and healthy in space?

History - What was the bravest thing that Tim Peake did?

Science - What meal would be the best meal to take to Tim Peake?

## PHSCE

Our PHSCE focus is 'My Emotions'. The pupils will be discussing how to understand and manage feelings, get support, understanding the impact of feelings, how to relax and being assertive.

## Maths

Within maths this half term we will be learning about:

### Addition and subtraction

We will be continuing our learning from last half term adding and subtracting 2 digit numbers crossing ten and revisiting number bonds.

### Money

We will be learning about coins and notes, making amounts, comparing money and finding change.

### Multiplication and Division

We will be learning about making equal groups, adding equal groups and making arrays.

We will be focusing on the 2, 5 and 10 times tables.
