**On this day** - 1998: France beat Brazil 3-0 in Paris to win the men's football World Cup.  
**Birthdays** – 1964: Gaby Roslin, English television presenter.

Dear parents, carers and families,

Congratulations to Italy on last night's victory in the final of 'Euro 2020', but what a shame for England after the team's great tournament. I am sure there will be a few tired heads out there this morning as you recover from the late night and the disappointment! (Apologies to non-football fans!)

We are expecting news later today that the country will move to Step 4 of the 'roadmap out of lockdown'. Whatever announcement is made, we will not change any measures in school before the end of term, as per the advice from our Local Authority. I hope you will see the value in supporting us with this and allowing the children the smoothest possible end to term; they will continue to follow the routines they have done all year. We have done a great job as a community throughout this long period of restrictions and we thank you for your ongoing support.

It was great to see all of our classes experience a Sports Day last week, even if the sessions were short and our families could not attend. Everyone engaged positively to make a success of it. Well done to all!

You will see from the dates below that next week we will have a non-uniform day on Thursday 22<sup>nd</sup> July, the last day of term. We hope you will feel that donating £1.00 to SOCS is a good investment! The work that the team do around the school continues to be of huge value to us. Please also note the date of Thursday 2<sup>nd</sup> September as the date that children return to school after the summer holidays. Let's enjoy some time off first, though!

With best wishes for the week ahead,  
Richard Martin.
