Birthdays – 1831 David Edward Hughes, British-American inventor (microphone, teleprinter)

Dear parents, carers and families,

Firstly, I would like to say well done to our Year Six on a very successful week last week. We had Chesterton's very first KS2 SATs and the children coped with the pressure really well. They all tried their best and gave the tests everything, we are all very proud of their efforts. Over the next few weeks and into the beginning of next half term there will be other assessments going on for different year groups like the KS1 SATs the Year 2 children will be completing.

A reminder that we have two weeks left of term and next week is only four days for the pupils. Next Friday is a teacher training day and the pupils are not required to be in school.

Please can I make a request to all those whose children who cycle to school, that if your child is one of the first that they put their bike on the inner row of bike racks. This then allows those who arrive later to lock their bikes up easier. It is very hard to climb over the bikes to lock a bike away once they are full.

SOCs are hosting a uniform swap this Thursday, 19th May, after school. It will be held on the sports pitch. The gates will be open for you to access the area. All items are free but SOC's request a small donation. The money donated to SOC's goes back into the school and supports various causes.

Attendance for last week improved and we seem to be getting over some of the winter bugs, we just need that summer weather to come back. Our punctuality could still improve, please make sure the children are in the school by 8.50am when the classroom doors close.

With best wishes for the week ahead,
Kate Yeoman.

DIARY DATES

Thursday 19th May: SOCS uniform swap

Thursday 26th May: Children Break up for half term

Friday 27th May: Teacher training day

Monday 6th June: Children return to school

Thursday 9th June 6pm: New Parents Meeting
