

Newsletter – 28th November 2022

This term's value; Respect

We are focusing on respecting our environment.

Dear parents, carers and families,

Thank you so much for your support with parent events over the last couple of weeks. We had a really good attendance at parents evening last week, we hope you found the format suited you, we welcome any feedback given. We were also very pleased to share with you our reading sessions. The presentations from my talk will be sent out this week.

This week marks only three weeks until the end of term. We have a few Christmas activities coming up to share with you. On Monday 12th December we have decoration afternoon. This is an opportunity for you to come into school and complete Christmas activities with your child/ren. This will take place from 1.30pm until 3.15pm, you are welcome to attend some or all the session. On Tuesday 13th and Thursday 15th December at 2.30pm we have the Reception, Year 1 and Year 2 Nativity. On Wednesday 14th we have the Key Stage 2 Carol Concert. This will be taking place at St George's church at 2.30pm. The Nativity's are ticketed events, which letters have been sent out for. The carol concert does not require tickets, the church has capacity for every child to have two parents/guests attend.

On the 15th November we have our next class assembly. Hazel class will be demonstrating what they have been learning. All Hazel parents are invited to attend, the assembly will start at 9am and there will be refreshments available at the assembly.

Would your child like to learn how to play a string instrument? The string teacher has availability to learn the violin, viola, or cello. Currently, 20 minute and 30 minute sessions are available. The sessions are open to pupils in Years 2 to Year 6. Please sign up at www.cambridgeshiremusic.org.uk

School attendance, firstly good news is that the whole school figure currently stands at 95.8% this puts us just into the good category for attendance. However we have noticed recently that there is a lot of absence, please make sure your children only miss school if they are to unwell to attend. We have also noticed that when the weather is bad the number of pupils arriving late to school is increased. Please make sure all children arrive on time to school, it is really important they do not miss morning activities.

With best wishes for the week ahead,
Kate Yeoman.
