

Chesterton
PRIMARY SCHOOL

Newsletter – 3rd May 2022

On this Day - 1953 Francis Crick and James Watson's discovery of the double helix structure of DNA is published

Birthdays – 1214 Louis IX (Saint Louis), King of France (1226-70)

Dear parents, carers and families,

I hope you have all enjoyed the long weekend, especially some of the nicer weather we have had. We hope the children feel refreshed and ready for the rest of the term.

Last week some of the Year 6 children represented the school at a Cross country event. The event took place in St Neots and there were primary schools from across Cambridgeshire represented. Whilst attending the event the children represented the school with good sportsmanship and impeccable manners. It is wonderful for the school to be represented at events with other schools and we look forward to attending more in the future.

Tomorrow we have our annual class photos, weather permitting these will be taken outside. Following the photos you will be able to purchase them for yourselves online, details on how to do this will follow shortly after the photos.

This week the children will be continuing their learning for the term. This term's value is Perseverance, the children will need to use all their perseverance with their learning to get to the end of the term. We know the summer term can feel like a long one but we encourage the children to keep up the positive attitudes towards their learning. With our value of perseverance we are focusing on not giving up when tasks get tricky. We encourage the children to find ways to solve problems they encounter, including working together to help each other overcome obstacles.

This week SOCs are collecting any uniform your children have grown out of. If you have uniform you no longer use, in good condition, please bring it to school one morning this week.

Attendance and punctuality for the last week was a similar picture to the week before. Our attendance is looking good, with each class having over 95%. The punctuality was slightly improved but there are a few classes where children are having a number of lates. Remember the children being on time sets them up in the right way for the rest of the day.

With best wishes for the week ahead,
Kate Yeoman.

DIARY DATES

Wednesday 3rd May: Class photos

Monday 9th May 6.30pm: Summer Fete meeting

Thursday 26th May: Children Break up for half term

Friday 27th May: Teacher training day

Monday 6th June: Children return to school
