Dear parents, carers and families,

We are already halfway through the term, the term is going quickly but it is clear to see the children are working hard. This week we have KS2 SATs taking place. The Year 6 children will be sitting the national tests Monday to Thursday and have been working really hard to make this week as successful as possible. We wish them the best of luck and know they will do their best, which is all we ask of them. As a result of the SATs taking place there will be some slight disruption to timings across the school, for example with break times, but we will ensure it has minimal disruption for everyone.

Every Monday during assembly we celebrate the children via nominations. The children nominate each other in the class and then one is selected to be celebrated in assembly. This term there have been many different nominations from children being kind to others, pupils supporting each other with learning and children noticing each other's hard work. It is always so wonderful to recognise the children's achievements and how they demonstrate what good citizens they are in the school community. This week our Year 6 prefects were recognised for the help they provide across the school, it is wonderful to have such good role models as part of the oldest class and we hope to develop these roles in the coming years with the year groups coming through the school.

Tonight SOCs will be hosting a Summer fete meeting via zoom. The link has been sent out this morning and anyone who would like to help with the Summer fete it will be lovely to see you there and supporting the school. SOCs are also hosting a uniform swap next Thursday, 19<sup>th</sup> May, after school and in preparation for this there will be a table of lost property outside the school this Wednesday, 11<sup>th</sup> May, after school. Please come along and see if any of the items belong to your child for you to reclaim.

Attendance and punctuality for the last week dipped slightly. We know there were a lot of extenuating circumstances last week and this has affected our attendance figures. Last week we had a lot of children who were late by just a few minutes. Please try to ensure all children are here on time.

With best wishes for the week ahead,  
Kate Yeoman.
