

## CHESTERTON NEWSLETTER

1<sup>st</sup> July 2019

Dear parents/ carers,

What a shock it was when writing the date this morning, I realised we only have 3 ½ weeks of school left – I can't believe the time has gone so quickly and we still have so much to do!

I realise many of you are concerned about transition arrangements. Unfortunately for us, Mrs Redman won't be returning in September which has saddened us greatly and leaves a big hole to fill in our staffing. As this means we will have two new members of the teaching staff starting in September, we are holding off with the transition arrangements until we know which teachers we will have and can confirm where they will be teaching. We will, as ever, do our best to make this transition as smooth as possible and provide as much support as we can for the children going forward.

Last week in school some of the Y3/4 children went to take part in an intra-trust multi-sports event at Neale Wade Academy where they competed against other children in the Trust. Mrs Taylor said they were a credit to the school, which is no less than we would expect. The children all received medals but we are still waiting to hear where they were placed overall. Well done to all of them ☺

I hope you saw the tweets of "Punctuality Bear" working hard in Elm class – it certainly looked as if there was a lot of hard, concentrated learning taking place!

I hope you all have a great week and are looking forward to watching the World Cup semi finals!
