

CHESTERTON NEWSLETTER

20th November 2019

Dear parents/ carers,

I do apologise for not doing a newsletter last week; the week just seemed to fly by and it was only at the start of this week I realised I hadn't done one.

Last week I saw a lovely session with Hawthorn and Elm. Hawthorn are in the process of designing a carousel for DT and asked Elm to come in and help them with their designs. At the end of the project, Hawthorn are going to show their carousels to Elm.

We had an electricity workshop in all day yesterday working with Elder, Hazel, Hawthorn and Oak. The workshop looked very interesting and the children learned a lot from it.

Thank you to all of you who attended the sharing session on calculation on Monday. The staff were really pleased with the number of you who attended and the interest you had in what was happening in the classrooms.

I hope you all have a great week. 😊
