## INTRODUCTION FROM THE HEADTEACHER

I hope you all had a wonderful Easter break and enjoyed some valuable family time. The children have settled back into school really well and are enjoying their learning and being with their friends and teachers.

In a few weeks' time our Year 6 children will be sitting their SATs assessments. We are so proud of how they have been preparing themselves and the mature attitude they have shown. Please could I ask parents of Y6 pupils to support us by ensuring their children go to bed early, get plenty of rest and sleep, eat well and are given lots of encouraging positive messages.

This year's Fun Run will be held on the afternoon of Friday 15th May in the Rectory Field near Quarry Hay. Hedgehog Class will hold their Fun Run around the obstacle course in the school grounds, as in previous years. This year we will be raising money for our 'International Week'. During the week commencing 18<sup>th</sup> May, the whole school will be

focussing on learning about the continent of Asia. To complement the week the children will all take part in two workshops, Indian drumming and Indian dance. We need to raise in the region of £1500 for these workshops to take place. The children will shortly be bringing home their sponsorship forms, with all the money going towards these workshops, so please do share these with family and friends. The money raised can be paid in via our donations page on ParentPay.

As usual, we need as many parents/adult helpers as possible to steward both events, so if you are able to spare a couple of hours from 1.15pm that would be appreciated. If you are able to help please complete the online form by 12 noon on Wednesday 13<sup>th</sup>

### DUCK RACE 2026

This year's Duck Race will be after school on Friday 15<sup>th</sup> May, at the stream in Quarry Hay. As well as the race, there will be cakes (provided by Owl Class) on sale. Ducks will be on sale soon - so do get in early to secure your lucky number!!!

### WATER AID CHARITY PRESENTATION

This morning we were pleased to welcome Ken Biggs from the Rotary Club back into school. As you may recall, we have recently been raising money for the Rotary Club's Water Aid charity and we were able to present Ken with a cheque for £275. Thank you to everyone for supporting this very worthy cause.

### TOYS IN SCHOOL

We have recently noticed that children are bringing very small toys into school, in particular tiny coloured resin animals and birds, which could present a choking hazard. May we request that ALL toys are left at home unless they are being brought in for a special reason such as Show & Tell or to support a class project. Toys brought in for these reasons should be handed to the class teacher so they can be

stored safely. Thank you for your co-operation.

### EVENTS IN SCHOOL - SUMMER TERM
