

CHEW STOKE CHURCH SCHOOL

Pupil Behaviour & Anti-Bullying Policy

This policy is written with reference to the Christian Foundation of the school.

'Confident in Learning, Caring in Life'

Our vision has been inspired by Luke 10:27

This policy should be taken and used as part of Chew Stoke Church School's overall strategy and implemented within the context of our aims and values as a Church of England School.

1) Aims

This school policy sets out the detail of how behaviour is managed in school, including procedures and systems for rewards and consequences. It is designed to encourage positive, (pro-social) and acceptable (expected) behaviour and ensure we deal effectively with unacceptable (or non-expected) behaviour.

2) Legislation and Guidance

This policy complies with the following:

Guidance from the Department for Education (DfE):

- [Behaviour and discipline in schools](#)
- Use of reasonable force in schools
- [The Equality Act 2010](#): advice for schools

Statutory guidance from the DfE:

- [Special educational needs and disability \(SEND\) code of practice 2014](#)
- [Supporting pupils with medical conditions at school](#)

The UN Convention on the Rights of the Child:

Chew Stoke Church School is a Rights Respecting school. We believe that children should be taught to show respect for the rights of others, and display courtesy and consideration towards all members of our community at all times. References are made to specific rights (articles-see Appendix A) throughout this policy.

3) Ethos and Values

Good behaviour and discipline are essential to creating a successful teaching and learning environment in which all pupils feel safe, secure and ready to learn. Our vision statement of 'Confident in Learning, Caring in Life' drives the principles of our school behaviour policy, recognising that children may not always make positive, pro-social behaviour choices, but these moments can be used as a tool for learning, personal growth and development.

At Chew Stoke Church School we believe that positive behaviour should be the outcomes of positive, consistent and defined relationships between staff and pupils. It is essential to have **a positive behaviour management strategy**.

Chew Stoke Church School recognises its legal duties under the Equality Act 2010, Education Act 2011 including all sections relating to children with Special Educational Needs (**Article 23**).

4) Behaviour Management Principles

- We, as adults, model calm, controlled and caring behaviour.
- Our attention as adults is focused first on those children who are behaving in an expected way.
- We look to highlight the children going 'over and above' and give them the formal recognition.
- We define as a school what we will consistently do: recognition, expectations and routines.
- We use scripted interventions.

5) Behaviour Management Guidelines

- At Chew Stoke Church School we believe there is a shared responsibility between staff, pupils and their families for the promotion of good behaviour.
- Children are praised for doing the right thing at every opportunity, using, where appropriate, language related to the UN Conventions of the Rights of the Child.
- Praise is used specifically to reinforce expected behaviour

- All adults model positive and appropriate behaviour at all times
- All children are involved in making and maintaining the rules. They have a right to say what they think should happen and to have their opinions taken into account (**Article 12**)
- All rules must be seen to be fair and applied consistently yet flexibly, taking into account individual circumstances. All rules are justified in terms of being required to ensure safety, well-being or learning.
- Expectations are phrased positively e.g. “walk slowly” rather than “don’t run”
- Staff use a quiet and calm manner when dealing with children
- Rewards/Consequences for school expectations are clear, appropriate, fair and relevant and take into account individual circumstances (**Article 39**)
- Discipline should respect children’s dignity (**Article 28**). Therefore, consequences at Chew Stoke Church School do not humiliate but allow the child to learn from their mistakes.
- Children are given time to reflect and discuss their behaviour
- Parents/Families are involved at the earliest opportunity where a child’s behaviour is causing concern and staff work closely with them to bring about improvement.

6) Roles and Responsibilities

The governing board is responsible for ensuring this behaviour policy’s effectiveness and holding the headteacher to account for its implementation and application.

Headteacher and School Leaders

The Headteacher and School Leaders are responsible for reviewing the school’s behaviour policy. They will:

- Ensure that the school environment encourages positive behaviour
- Support staff to deal effectively with poor behaviour choices
- Monitor how staff implement this policy to ensure rewards and consequences are applied consistently.

Article 3: When adults make decisions, they should think about how they affect children.

All staff

Staff responsibilities are:

- To model positive behaviours
- To show children that we regard them as individuals and we will welcome them at our classroom door every morning with a smile and by name.
- To teach children what good conduct and expected behaviour looks like by setting clear routines and expectations.
- To recognise good conduct publicly and correct unexpected behaviour and conduct privately.
- To respond consistently (using the same recognition, language and consequences)
- To remain calm and assertive when managing unexpected behaviours.

Parents/Families Parents/Family responsibilities are:

- To ensure they have a clear understanding of this policy – copies are provided when children join the school and an electronic copy is available on the school website.
- To make children aware of appropriate behaviour in the school and support the implementation of this policy
- To encourage independence and self-discipline
- To try to foster good relationships with the school
- To know the school rules and expectations

Pupils

Pupil responsibilities are:

- To contribute to discussions at the start of the year when establishing the class charter
- To follow school rules and the class charter to the best of their ability
- To treat other people, resources and their environment with respect
- To follow instructions from adults within the school, questioning politely if they don't understand them or believe them to be unfair

7) Expectations and Procedures

At Chew Stoke Church School alongside the value of the term and the UN Rights of the Child, we have three simple rules which are referred to in discussions about conduct.

Our three rules are that every child be:

1. **Respectful** (Article 2: All children have rights. No child should be treated unfairly on any basis.)
2. **Safe** (Article 19: All children have the right to be protected from being hurt or mistreated, in body or mind.)
3. **Ready to learn** (Article 28: All children have a right to a good quality education.)

Each class draws up a class charter at the start of the year with more detailed rules and expectations of behaviour.

We expect children to realise that expected/ positive behaviour is rewarded and unacceptable behaviour results in consequences. We aim to help children understand that they have rights and that they cannot take away the rights of others (Article 4).

Teaching Appropriate Behaviour

At Chew Stoke Church School we recognise that children come from a range of backgrounds and family circumstances where different rules and expectations apply. We have a responsibility to teach children:

- what the expectations are in school and why
- to understand their responsibilities towards others in the school community to ensure everyone is safe and able to learn
- how to modify their behaviour to suit different contexts
- how to recognise and control their emotions in order to modify their behaviour

We teach this through:

- PSHE
- Focussing on a different British value each term
- Focussing on a different 'Christian value' each term and reinforcing how these can be applied in daily life
- Small group and 1:1 intervention as required

Rewards

Positive and expected behaviours will be rewarded with:

- Praise and encouragement (specific)
- Reinforcement from SLT (visits to HT, for verbal praise/stickers)
- Positive messages home via text by phone or in-person at pick-up.

- Visual house points chart system
- Individual reward certificates presented during the weekly celebration assembly
- Whole class rewards (agreed and negotiated by the class)
- Personalised rewards used in line with individual support plans

Stages of Consequences

	Application	Script
Stage 1 Reminder (Yellow Reminder)	<ul style="list-style-type: none"> • Delivered as privately as possible • Links back to the charter and children's rights • Distraction can work well for refusal behaviours • Draw attention to another child following the rule first and thank them • Reinforce with positive statements (e.g. remember to walk calmly' rather than 'don't run'. 	<ul style="list-style-type: none"> • I'm very impressed by how well (another child) is doing X. Thank you so much for respecting our right to X. <p>I can see you are struggling with X. Can I help?</p> <p>Remember, we X to respect the right to X.</p>
Stage 2 Warning (Amber Warning)	<ul style="list-style-type: none"> • Firmer, more assertive tone than the reminder (but not aggressive) • Remind child of the rule/right or routine which is not being followed/respected. • Give a clear choice, so that the child feels in control and has full understanding of the consequence. • Walk away so as not to get into a back and forth negotiation. 	<p>A short conversation (not a time for discussion)</p> <ul style="list-style-type: none"> • This is your warning. • (NAME) At the moment you are not respecting the right to... • You need to choose to X or you will X (consequence) <p>Walk away <i>Then walk away to give 'take up time' and avoid getting into a negotiation or shifting blame.</i></p>
Stage 3 Consequence (Red Consequence)	<p>Stage 3 consequences will be to have time out for a short period, either in the classroom or with a member of SLT. Another child or adult should walk the child to the classroom.</p> <p>When appropriate the child will complete a restorative justice sheet (Appendix C) and return to class/learning within a short period of time. As a guideline, this time out will usually last around 5 minutes, no longer than 10 minutes.</p> <p>Stage 3 consequences will be recorded on Arbor</p>	<p>Deliver request to move calmly and assertively</p> <ul style="list-style-type: none"> • (NAME) you have chosen to continue X • You now need to go to..... for ... minutes

Stage 4 Internal Seclusion Time out / internal seclusion	Sent to headteacher or deputy headteacher with learning to complete. If an adult is needed to come to the classroom, staff will send a child with a red card to a member of SLT to signal they need urgent help. The child will complete a restorative justice sheet (Appendix C) Stage 4 consequences will be recorded on Arbor.	Stage 4 Internal Seclusion Time out / internal seclusion
---	---	--

Generally, children would move through the stages one by one. However, stages may be skipped dependent on behaviour. See Appendix B for examples of different types of behaviours. Serious incidents may result in a Stage 3 consequence. Extreme incidents will move straight to a Stage 4 internal seclusion.

Dangerous & persistent behaviour may need the support of SLT:

<ul style="list-style-type: none"> • Fighting • 2nd time out in same session • Throwing furniture/breaking equipment • Bullying • Hate language • Disruption which prevents the class from learning <ul style="list-style-type: none"> • Most children demonstrating these behaviours will have an Individual Behaviour Plan which should be referred to • Record on Arbor and parents informed 	Where a member of SLT is called: <ul style="list-style-type: none"> • Ask SLT member to come to the class • Adult dealing with the behaviour to speak to the children with the SLT member present • SLT member will reinforce the messages the adult has given <p>I have asked (NAME SLT) to join us because you have chosen to ...</p> <p>We need to share what has happened. (Child name) was not respecting the right to X by X. To support them we have</p>

Stages of consequences for repeated or severe Behaviours

Stage 5 IBP	Individual Behaviour Plan This is a formal plan agreed with parents/carers and usually involves referral to specialist agencies if possible. Not to be confused with behaviour support plans for children with additional needs. Stage 5 plans are used for children whose behaviour is still a concern after moving through stages 1-4
------------------------	---

Stage 6 Suspension	Excluded from school for a fixed period of time. Formerly known as a fixed term exclusion <i>Stage 6 suspension may be issued if children do not comply with a stage 4 internal inclusion and are behaving unsafely. A stage 5 IBP would be drawn up as soon as possible for their return to school. At the end of stage 6 there will be an agreed reintegration meeting</i>
Stage 7 Exclusion	Permanent Exclusion

Re-integration meetings are always held with parents/families after stage 5 IBPs are set up or reviewed after stage 6 suspensions. All possible strategies and external support will be employed to avoid further suspensions, including alternative learning provision if appropriate.

Permanent exclusions are rare and would only be issued following recurring suspensions and/or failure of all support strategies and alternative provision.

All sanctions from Stage 3 up are recorded on our management system 'Arbor').

At Chew Stoke Church School we believe in the importance of emphasising positive behaviour. Consequences are tools for learning, they should be fair and effective, they should not be humiliating or disproportionate. The system is designed to be consistent and fair, but with enough flexibility to be age-appropriate and adaptable for those with SEND or other additional need.

For persistent unwanted behaviour in the playground, a short period (not exceeding 5 days) of lost playtime can be enforced. A phased re-entry into the playground is then optional. This re-entry period can take up to 6 weeks and will comprise of: time eating lunch; time in the classroom on agreed activities; and an increasing amount of 'free' time on the playground. Throughout this period there will be regular contact with the parents. For serious negative behaviour that persists during playtimes or lunchtimes the Head Teacher will contact and work with the parents to make arrangements for their child to spend lunchtimes off school premises. This may be extended if necessary, in order to ensure other children's well-being or for the safety of the individual child.

8) Restorative Justice and Follow- Up Action

The behaviour management system at Chew Stoke Church School is based on the principle of putting mistakes right.

Repair conversations – Restorative conversations:

- a. Take place at an appropriate time when the child is calm.
- b. Can be short for minor conduct breaches or may be longer when there has been refusals or deregulated behaviour.
- c. Focus on reflection and restoring relationships (not blame or further punishment)

We provide a range of support for children at or at risk of reaching stage 5 including social skills, friendship and play support, emotional regulation support and restorative justice sessions.

9) Pupil support

Chew Stoke Church School recognises its legal duty under the Equality Act 2010 to prevent pupils with a protected characteristic from being at a disadvantage.

Our behaviour management system is clear and consistent but is equitably applied. At every stage additional support is provided or adjustments made as required to ensure the consequences are fair and proportionate in relation to a child's understanding and cognitive ability. Follow-up action also take into account the intention behind and the context of the behaviour, with a focus on challenging and removing root causes.

Challenging and negative behaviour will always be assessed by school leaders and/or SEND specialists to determine any underlying issues or unmet need. Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, a Speech and Language Therapist, Children and Adolescent Mental Health Services (CAMHS) medical practitioners and/or others, to identify or support specific needs. Where appropriate the child may receive THRIVE support through the school.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create an individual support plan and review it on a regular basis.

10) Bullying

Bullying is defined as the repetitive, intentional harming of one person or group by another person or group, where the relationship involves an imbalance of power.

Bullying is, therefore:

- Deliberately hurtful
- Repeated, often over a period of time
- Unwanted and difficult to defend against

Bullying can be:

- Emotional / verbal
- Physical
- Sexual
- Online

Bullying and harassment may also include racist or other discriminatory abuse, often targeting particular areas of vulnerability.

At Chew Stoke Church School we teach children to understand, recognise, challenge and prevent bullying and understand the difference between bullying and other forms of social conflict (NB peer and friendship issues which are a normal part of children's development).

We have a staged process for dealing with bullying:

Stage 1 'monitoring'	An allegation is made but there is no clear evidence that bullying has occurred. All children concerned are placed on 'monitoring' and staff are asked to be vigilant and record (on Arbor) any interaction or issue, however minor
Stage 2 Contract	There is evidence that bullying or harassment has taken place and the children involved agree a contract of behaviour which states clearly what is and is not allowed and the sanctions that would happen if the agreement is breached.
Stage 3 Anti-bullying plan	Stage 2 contract is breached and there is clearly targeted and systematic bullying and harassment. The child being bullied has an individual safety plan designed to minimise risk of further harm without curbing their freedom or limiting their experiences. The child who has been bullying or harassing has an individual behaviour plan with clear consequences, restrictions and expectations and a restorative justice action plan. There are cases in which the bullying and harassment is complex and not clearly one-sided. Children may need a combination of behaviour and support plans. In both support and behaviour plans, additional support will be provided to help children recover and learn from the experience.

11) Positive Handling

The use of force to restrain or control children is only used when it is the only safe option and would always comply with 'The Use of Reasonable Force in School' guidance (DfE 2012).

All staff working directly with children receive training in de-escalation techniques and basic principles of safe positive handling. At Chew Stoke Church School, our focus is on prevention and de-escalation in order to avoid the need for any kind of physical force, which is used only when there is immediate risk of serious harm.

Chew Stoke Church School recognises that many children who display dangerous or extreme behaviour have experienced some kind of trauma and that restraint and physical force can re-traumatise. In order to maintain a safe learning environment for all children (article 28), we do not tolerate dangerous and disruptive behaviour. However, we also seek to minimise the use of force and restraint. Therefore, as part of our staged system, all stage 5 individual behaviour plans include prevention strategies and adjustments to minimise the risk of needing to use physical force or restraint.

12) Safeguarding and SEND

We respond to inappropriate behaviour by investigating and trying to understand the cause. Inappropriate behaviour can be an indication of issues relating to child protection or unmet special educational need (Article 39). As well as the immediate response as set out in our sanctions procedures, we act promptly to identify potential underlying issues and agree a prevention and support plan with parents/carers and/or external agencies where appropriate.

Appendix A - UNCRC Rights of the child

Article 2 Every child has these rights, no matter who they are, where they live, what their parents do, what language they speak, what their religion is, whether they are a boy or girl, what their culture is, whether they have a disability, whether they are rich or poor. No child should be treated unfairly on any basis.

Article 4 Governments must do all they can to make sure every child can enjoy their rights.

Article 12 Every child has the right to have a say in all matters affecting them, and to have their views taken seriously.

Article 13 Every child must be free to say what they think and to seek and receive information of any kind as long as it is within the law.

Article 14 Every child has the right to think and believe what they want, and to practise their religion, as long as they are not stopping other people from enjoying their rights.

Article 19 Governments should ensure that children are properly cared for, and protect them from violence, abuse and neglect by their parents, or anyone else who looks after them.

Article 23 Children who have any kind of disability should receive special care and support so that they can live a full and independent life.

Article 27 Every child has the right to a standard of living that is good enough to meet their physical, social and mental needs.

Article 28 Every child has a right to primary education, which should be free. Discipline in schools should respect children's human dignity;

Article 29 Education must develop each child's personality, talents and abilities to the full. It must encourage children to respect their parents, and their own and other cultures.

Article 30 Children have a right to learn and use the language and customs of their families, whether these are shared by the majority of people in the country or not.

Article 31 Children have the right to relax, play and to join in a wide range of leisure activities.

Article 39 Children who have been neglected or abused should receive special help to restore their self-respect
