

CHEW STOKE CHURCH SCHOOL CHARGING & REMISSIONS POLICY

1. Principles

Chew Stoke Church School (hereafter referred to as the School) is clear that no child's education should be in anyway compromised by the ability of their parents or carers to pay.

In some cases, Pupil Premium may be used to support those pupils who are at risk of a disadvantage experience due their financial circumstances.

2. Policy

The School's Governing Body is required by law to publish a policy on charging for school activities. The Education Act 1996 establishes the basic principle that the education provided by any maintained school/academy for its registered pupils should be free of charge. This basic underlying principle requires that there should be no school/academy admission charge and no charge for any related activity which takes place during school/academy time.

There will be no charge for the following activities:

- Education provided wholly or mostly during school hours. This includes the supply of any materials, books, instruments, other equipment and also transport provided in school hours to carry pupils between the school and an activity.
- Education provided outside school hours if it is part of the National Curriculum or part of a syllabus for a prescribed public examination, which the pupil is being prepared for at the school, or part of religious education.
- Instrumental and vocal music tuition, which is part of the National Curriculum or the first Programme in which the whole class engages with the KS2 Programme of Instrumental and Vocal Tuition (Wider Opportunities).
- Instrumental and vocal tuition for children in care.
- Entry for a prescribed public examination including re-sits provided that a pupil has been prepared for it at the school.

Charging and Remissions Policy

Voluntary contributions: The school may ask for voluntary contributions towards the cost of school-time activities to assist with funding, subject to the following conditions:

- Any children of parents who do not wish to contribute will not be treated any differently.
- Where there are insufficient contributions to make the activity viable, the activity will be cancelled.

Chargeable activities: The school may recover the full costs of the following activities, which may be provided directly or through commissioned services but charges will not exceed actual cost:

- Educational or other activities provided wholly or mainly outside school hours, which are not:
 - (a) Part of the National Curriculum.
 - (b) Part of a syllabus for prescribed public examination, which the pupil is being prepared for at school.
 - (c) Part of religious education. (Note: This could include before and after school clubs run by the school).
- Board and lodgings on residential visits (subject to remission arrangements).
- Cost of entering a pupil for a public examination not prescribed in regulations, and for the cost of preparing a pupil for that examination outside school hours.
- Cost of entering a pupil for a prescribed public examination including re-sits where no preparations have been provided by the school.
- Provision of instrumental and vocal tuition, which takes place during the school day and which has been requested by parents/guardians.
- Provision of materials/ingredients for subjects such as Art & Design or Food Technology, where pupils take home a finished product.

Remissions Policy:

There will be no charge for board and lodgings for pupils whose parents/guardians are receiving income support, income based job seeker's allowance, family credit or disability working allowance. Charges for other 'chargeable activities' may also be fully or partially remitted. Details of any remission arrangements will be made clear when parents are informed of charges for individual activities.
