Chilli Children of Rukungiri (Uganda) Trust

Structure Governance and Management

Context

The Trust's primary objective is to provide funding for the "North Kigezi Diocese Grower's Orphans and Disabled Children's Project". The Diocese is part of the Church of Uganda. The Project is referred to as the "Chilli Children Project", and this UK Trust as "The Chilli Children Trust". The name derives from the fact that one of the ways in which the Project achieves its objectives is by encouraging families of disadvantaged children in the locality to grow chillies as a cash crop, to provide additional income to pay for education, healthcare and family support etc. Chilli Children Trust is a wholly separate entity from the Project.

The Trust

The Trust currently has seven Trustees. The Trust is a Christian charity, and each Trustee is required to be a practising Christian. One Trustee currently supports the Project in country, Uganda, but is not part of the Project Team. The others are located around the UK. It is the aim of the Trust to recruit additional Trustees, as required to meet specific roles. The Trustees meet twice a year in person, and every six weeks by video conference, as well as communicating regularly by e-mail and telephone. At each Trustees' meeting a primary decision is taken about the level of funding to be sent to the Project. Other Trust issues are discussed and decisions taken, although funding issues take precedence.

Recruitment and Training

The Trust has a written policy for recruitment of new Trustees. They receive full details of the Trust and Charity Commission guidance on Trustees Roles and Responsibilities. During the year two new Trustees were appointed, covering the roles of Treasurer and Prayer Letter Editor. The Trust has actively encouraged Trustees to take on a public speaking programme, presenting the work of Chilli Children Trust and the Project to a variety of organisations. One principal purpose for this is to develop the donor pool.

Governing Document

The Trust Deed was set on 4th September 2004. A Supplementary Deed was set on 12th March 2011. Both these documents are held at the Trust's Registered Office. These documents outline fully the Trust's objectives, which are reported on below.

Funding

The Trust's primary source of funding is from church groups and individuals who are often active, practising Christians. Around 40% of income arises from Standing Orders, and the Trust endeavours to increase this percentage year on year to provide a more stable basis to income. The Trust is conscious of the need to increase the amount of funding to the Project as the number of children suffering disabilities and life limiting health conditions continues to create demands on resources.

In addition to the general day to day funding of the Project's activities, the Trust raised and provided funds during the year for the provision of surgical and other medical care at local hospitals, including supervision and training from teams from UK hospitals, as well as for the purchase of a new motorcycle used by local staff for visiting families in remote areas of Uganda.

Reserves Policy

The Trust has succeeded in its aim of building up a Contingency Fund of £5000. This is included in the Cash at Bank figures in the Financial Statements. In addition, a reserve equivalent to approximately one quarter's Project Grant has also been built up.

Overview of the Year

Due principally to the additional funding for the Project referred to above, there was an excess of Expenditure over Income for the year. The Trustees consider that this is consistent with the overall stated aims, and with the Reserves Policy set out above. The Trust remains in a healthy financial position.

Independent Examiner's Report

I report on the Accounts for the year ended 31st March 2019, as set out in pages 7 - 9

Respective responsibilities of Trustees and Examiner

The charity's Trustees are responsible for the preparation of the Accounts. The charity's Trustees consider that an Audit is not required for this year (under section 144(2) of the Charities Act 2011 – "the 2011 Act"), and that an Independent Examination is required.

It is my responsibility to:

Examine the Accounts under Section 145 of the 2011 Act

Follow the procedures laid down in the General Directions given by the Charity Commission under Section 145 (5)(b); and

State whether particular matters have come to my attention.

Basis of the Independent Examiner's Report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the Accounts, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair view", and the report is limited to those matters set out in the statements below.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention:

1. Which gives me reasonable cause to believe that, in any material respect, the requirements to keep accounting records in accordance with Section 130 of the 2011 Act, and to prepare accounts which accord with the accounting records and to comply with the accounting records of the 2011 Act have not been met; or
2. To which, in my opinion, attention should be drawn in order to enable a proper understanding of the Accounts.
